And, like all artists, graffitiists need a place to plot out their ideas. Building on our successful line of bound sketchbooks, this blank volume is aimed at the hip, young artists (and those aspiring to be) in the burgeoning field of graffiti art. Containing plain pages as well as a graph paper insert, it resembles the hardcover "blackbook" that's standard must-have equipment for these cutting-edge painters. Not only will it be where they painstakingly draft their designs, but artists will use it for written notes, pasted-in photos and source material, and an all-in-one portfolio for their very best work.
