Master APA style and format quickly and easily! Written by experienced psychology instructors Beth M. Schwartz, R. Eric Landrum & Regan A.R. Gurung, who are respected members of the APA's Teaching of Psychology division, An EasyGuide to APA Style: Second Edition provides an easy alternative for anyone struggling with APA style. Written in a clear, conversational, and humorous style, this book presents easy-to-understand explanations of how to write research papers, cite research, and do any work requiring APA format. The authors simplify the process with easy-to-follow advice, tips, and visual representations of how to use APA style. This updated edition includes easy-to-read screen shots as well as guidance on where to find answers to commonly asked student questions.

The Publication Manual of the American Psychological Association is the style manual of choice for writers, editors, students, and educators in the social and behavioral sciences, nursing, education, business, and related disciplines.

15 Minutes. That's as long as we think any student should have to spend formatting their papers. Unfortunately, students often spend hours trying to find answers from hard to follow manuals or confusing websites. Whether you want a step-by-step guide to building a title page, suggestions for writing with greater clarity, or freedom from doing internet searches every time you have a question about APA standards, APA Made Easy is the only blueprint that you will need for writing in APA style.

This comprehensive writing guide includes illustrated steps for formatting an APA document in: Microsoft Word 2010, Microsoft Word 2011 for Mac, Microsoft Word 2013, and Apple's Pages programs. You will also learn how to build an APA formatted paper from the ground up by understanding:

- How to outline information you've already gathered.
- How to write an essay or research paper from an outline.
- How to write a solid introduction.
- How to use the required headings in a research paper including Abstracts, Method, Subjects and Participants, Materials or Apparatus, Results, and Discussion sections.
- Building Citations within your paper and on your Reference page.

Also included in this guide:

- APA examples and high resolution screen shots to help students correctly format documents within 15 minutes.
- Over 150 completed Reference examples
- Over 60 completed In-Text Citation examples
- How to use Headings effectively in your writing
- Specific examples that cover how to cite new media such as blog posts, emails, websites, online lectures, computer programs, social media and much more.
- A new section on using and citing DOI's (Digital Object Identifiers) for new media.
- A Short Sample paper in APA format.

Expanded and updated from the Electronic Resources section, The APA style guide to electronic resources outlines for students and writers the key elements with numerous examples. Dissertations and theses; bibliographies; curriculum and course material; reference materials, including Wiki; gray literature, such as conference hearings, presentation slides, and policy briefs; general interest media and alternative presses such as audio podcasts; and online communities, such as Weblog posts and video Weblog posts.

Successful Research Projects: A Step-by-Step Guide is a concise and accessible book that guides students through each component of the research process. Using a step-by-step applied learning approach, acclaimed professor and researcher Dr. Bernard C. Beins discusses each of the key actions required for students to confidently develop, perform, analyze, and report the results of their research in a thorough, accurate, and methodologically sound manner. Throughout the book, they will discover not only how to complete each step, but how the steps at any point relate to other aspects of their research and writing..

This is a compact but comprehensive guide to writing clearly and effectively in APA style. Demonstrates how to write objective scientific research papers using interesting prose Incorporates guidelines from the 6th edition of the APA publication manual Explores how to develop ideas, connect them to what others have written, and express them clearly Discusses the differences between written, oral, and poster presentations and offers instructions for applying APA style to each

Written by experienced psychology instructors who are active and respected members of the American Psychological Association (APA) Society for the Teaching of Psychology, the updated Third Edition provides a reader-friendly guide for mastering APA style and covers all sections of an APA-style paper. Clear, conversational, and humorous, the book presents easy-to-understand explanations of how to write research papers, term papers, and lab reports, and cite references following APA style and format. The authors focus on the most essential elements of APA style and format, offering useful advice, tips, and visual representations.

Designed specifically for undergraduate writing, this easy-to-use pocket guide provides complete guidance for new writers on effective, clear, and inclusive scholarly communication and the essentials of formatting papers and other course assignments.

Strengths of KEYS FOR WRITERS include concise but complete explanations, ease of use (with ten color-coded tabs that clearly signal the book's content), strong ESL coverage, and outstanding student writing samples. New co-author Susan Miller-Cochran brings to this edition a framework for critical thinking that offers students a method for understanding and approaching rhetorical situations. Additionally, new exercises at the end of most parts let students check their understanding. In the documentation sections, Source Shots provide visual examples of how to document sources from print to Internet sources and from encyclopedia articles to MP3 selections. A new focus on writing in the disciplines helps students carry the framework for critical thinking into a variety of academic contexts, while new guidelines for thinking critically about sources helps students apply the framework to source evaluation. A new design provides stronger visual presentation of concepts to help students learn to think critically about their writing and use of sources. Each student text is packaged with a free Cengage Essential Reference Card to the MLA HANDBOOK, Eighth Edition.
