A Man Named Dave completes David Pelzer ' s autobiographical trilogy that includes A Child Called " It " and The Lost Boy. A Man Named Dave begins by recounting much of the story in his previous two books. For twelve years, Pelzer suffered tremendous physical and emotional abuse at the hands of his mother, even though she treated her other children with kindness. The cruelty is severe and Pelzer is detailed in his recounting.

A Man Named Dave, which has sold over 1 million copies, is the gripping conclusion to Dave Pelzer ' s inspirational and New York Times bestselling trilogy of memoirs that began with A Child Called "It" and The Lost Boy. "All those years you tried your best to break me, and I'm still here. One day you'll see, I'm going to make something of myself." These words were Dave Pelzer's declaration of independence to his mother, and they represented the ultimate act of self-reliance. Dave's father never intervened as his mother abused him with shocking brutality, denying him food and clothing, torturing him in any way she could imagine. This was the woman who told her son she could kill him any time she wanted to—and nearly did. The more than two million readers of Pelzer's New York Times and international bestselling memoirs A Child Called "It" and The Lost Boy know that he lived to tell his courageous story. With stunning generosity of spirit, Dave Pelzer invites readers on his journey to discover how he turned shame into pride and rejection into acceptance.

The remarkable trilogy from SUNDAY TIMES No.1 Bestseller Dave Pelzer - now in one volume. A CHILD CALLED 'IT' is Dave Pelzer's story of a child beaten and starved by his emotionally unstable, alcoholic mother: a mother who played torturous, unpredictable games that left one of her three sons nearly dead. Dave was no longer considered a son, or a boy, but an 'it'. His bed was an old army cot in the basement and when he was allowed food it was scraps from the dogs' bowl. Throughout, Dave kept alive the dream of finding a family who would love and care for him. THE LOST BOY: the harrowing but ultimately uplifting true story of Dave's journey through the foster-care system in search of a family who will love him. A MAN NAMED DAVE: the gripping conclusion to this inspirational trilogy. With extraordinary generosity of spirit, Dave takes us on a journey into his past. At last he confronts his father and ultimately his mother. Finally, Dave finds the courage to break the chains of the past and learn to love, trust and live for the future.

Imagine a young boy who has never had a loving home. His only possessions are the old, torn clothes he carries in a paper bag. The only world he knows is one of isolation and fear. Although others had rescued this boy from his abusive alcoholic mother, his real hurt is just begining -- he has no place to call home. This is Dave Pelzer's long-awaited sequel to A Child Called "It". In The Lost Boy, he answers questions and reveals new adventures through the compelling story of his life as an adolescent. Now considered an F-Child (Foster Child), Dave is moved in and out of five different homes. He suffers shame and experiences resentment from those who feel that all foster kids are trouble and unworthy of being loved just because they are not part of a "real" family. Tears, laughter, devastation and hope create the journey of this little lost boy who searches desperately for just one thing -- the love of a family.

Tells the story of a child's abuse at the hands of his alcoholic mother

As nearly four million readers have learned from his three previous books, Dave Pelzer doesn't believe in feeling sorry for himself. Abused mercilessly by his mother as a child, Dave has taken everything that happened to him and turned it into something positive so that he can help others. Now happily married and with a child of his own, he celebrates the twin pillars of strength that saw him through his darkest hours: resilience and gratitude. And he shows how anyone can tap into these virtues to live a better and more fulfilling life. In Help Yourself, Dave Pelzer explains how to move beyond a painful history, harmful negative thoughts, and innumerable setbacks by urging readers to take control and be accountable for their lives. Filled with his own history, as well as the personal struggles of others who have learned how to turn adversity into triumph, Help Yourself is a rousing call to readers who want real answers to real problems. Never before in paperback, it will undoubtedly join Pelzer's previous paperbacks on bestseller lists for years to come.

The #1 New York Times—bestselling author and child abuse survivor reveals the challenges that he still faces as an adult, as a husband, and as a father. In the blockbuster autobiography A Child Called " It " , Dave Pelzer shared the story of his childhood—one of the most dramatic and extreme stories of child abuse ever prosecuted in the state of California. As a child, Pelzer was beaten, starved, and abused both emotionally and physically by his alcoholic and mentally unstable mother. As a man, Pelzer went on to have love, happiness, a fulfilling career, and a family of his own. To many, Pelzer seemed to have found his happy ending. But for a child abuse survivor, living a normal adult life carries challenges and complications above and beyond those faced by most people. This book, the fifth in Pelzer ' s

Read Book A Man Named Dave Pelzer 3

nonfiction series, provides an honest and courageous look at the difficulties inherent in marriage, parenthood, work, and life from the perspective of someone who survived horrific physical and emotional terrors as a child—and who seeks to meet the responsibilities and complications of adult life with love, strength, and an open heart.

" "All those years you tried your best to break me, and I'm still here. One day you'll see, I'm going to make something of myself." These words were Dave Pelzer's declaration of independence to his mother, and they represented the ultimate act of self-reliance. Dave's father never intervened as his mother abused him with shocking brutality, denying him food and clothing, torturing him in any way she could imagine. This was the woman who told her son she could kill him any time she wanted to--and nearly did. The more than two million readers of Pelzer's New York Times and international bestselling memoirs know that he lived to tell his courageous story. With stunning generosity of spirit, Dave Pelzer invites readers on his journey to discover how he turned shame into pride and rejection into acceptance."--Amazon.

This book chronicles the unforgettable account of one of the most severe child abuse cases in California history. It is the story of Dave Pelzer, who was brutally beaten and starved by his emotionally unstable, alcoholic mother: a mother who played tortuous, unpredictable games--games that left him nearly dead. He had to learn how to play his mother's games in order to survive because she no longer considered him a son, but a slave; and no longer a boy, but an "it." Dave's bed was an old army cot in the basement, and his clothes were torn and raunchy. When his mother allowed him the luxury of food, it was nothing more than spoiled scraps that even the dogs refused to eat. The outside world knew nothing of his living nightmare. He had nothing or no one to turn to, but his dreams kept him alive--dreams of someone taking care of him, loving him and calling him their son.

The final volume of Dave Pelzer's bestselling memoir
