World War 2 quiz questions and answers | Express.co.uk

The war, which would later come to be known as World War I, did not only leave 37 million people dead but also spurred World War II that managed to add a further 75 million to its previous pool of those annihilated as a result of the two World Wars. Well, World War I might be the forgotten war like many scholars like to put it (simply because those who saw it happening are currently too old to remember anything).
