Music From The Darkness. To See Beyond the Shadows takes its inspiration from mythology and fantasy, often relying heavily on the works of HP Lovecraft and the Enuma Elish of ancient Babylonian mythology. The songs attempt to put a human face on the ancient ones, with all the doubts and regrets of any mortal.

The umbra (Latin for "shadow") is the innermost and darkest part of a shadow, where the light source is completely blocked by the occluding body. An observer within the umbra experiences a total eclipse.The umbra of a round body occluding a round light source forms a right circular cone.As viewed from the cone's apex, the two bodies appear the same size.
