The third is the liar, a young woman who wears a scholar's mantle over the heart of a thief. The last is the highprince, a warlord whose eyes have opened to the past as his thirst for battle wanes. The world can change. Surgebinding and Shardwielding can return; the magics of ancient days can become ours again.

As things gather pace gaps in the narrative from earlier books are filled in, some things are turned on their head and new allies are made. It's testament to Sanderson's writing that a book this long is such a page-turner.
