the needs of the single ladies. This book contains more than just home buying tips. It also assists single women on topics such as why women buy homes, assessing financial status, the importance of hiring a real estate agent, and so much more! Single women are dominating the real estate industry by being the leaders of home buyers today. To be precise, these ladies are causing the growth of real estate business by making up almost 1/3 of sales since 1944. Single Women & Cars Women still experience gender discrimination when it comes to buying cars, which is surprising considering the fact that women buy about 60% of all brand new cars and about 53% of all used cars according to research!
