Andrew Gamble, Class Politics and Radical Democracy, NLR I ...

The emergence of the recent wave of radical right-wing party politics has generated a large and growing literature, spanning a variety of dimensions--such as ideology, voting, and policy impact. This volume will cover all these dimensions, but it will in particular focus on two questions: why is it that the working class tends to be especially attracted by the radical right-wing parties?

Abstract. While the literature on mass society and social capital assumes a negative relationship between civic associationalism, political participation, social trust and populist radical right (PRR) voting, more recent studies provide more mixed evidence that fringe parties can mobilize support and consolidate by relying on complex networks of civil society organizations.

Working class and middle class "Popular Radicals" agitated to demand the right to vote and assert other rights including freedom of the press and relief from economic distress, while "Philosophic Radicals" strongly supported parliamentary reform, but were generally hostile to the arguments and tactics of the Popular Radicals.

Radicals (UK) - Wikipedia

t. e. Radical centrism, also called the radical center, the radical centre or the radical middle, is a concept that arose in Western nations in the late 20th century. At first, it was defined in a variety of ways, but at the beginning of the 21st century a number of political science texts gave it a more developed cast.

Radical centrism - Wikipedia

In London a range of new radical groups emerged, demanding major changes to the political system. The London Society for Constitutional Information, dormant since the 1780s, revived under the leadership of middle-class intellectuals; but many groups were formed or joined by working men.
