There are two very different books being sold and reviewed, but they both start out on the same product page. The title of both is "Five Little Monkeys Reading in Bed" and they are both by Eileen Christelow. However, one of them is a hardback with 40+ pages and the other is a paper back with eight pages. The former is the actual book; the latter is a promo put out by Scholastic Books.

Five Little Monkeys Reading in Bed: Christelow, Eileen ...

Summary: Five little monkeys always go to bed by their mama reading them a book. Their mama only reads one book to them each night but the little monkeys want to read more and more. They decided since their mama will only read one book they could try and read books on their own. So they do, book after book they get spooked and scared.
