This an excerpt from Flourish: A Visionary New Understanding of Happiness and Well-Being. The Original Theory: Authentic Happiness. Positive psychology, as I intend it, is about what we choose for its own sake. I chose to have a back rub in the Minneapolis airport recently because it made me feel good.

*What is Well-Being? | Authentic Happiness*

You might believe that a person is flourishing when she is happy and content, or when she is learning new things and applying her skills to new challenges. As it turns out, all of these definitions are right! Or at least, partly right.
