Dr. David O. Oyedepo in this last 10 years. It's been a long journey, but suffice it say that I have enjoyed every bit of it. Like all men of great influence, Bishop Oyedepo, has been analysed in the public domain and given different names by different people. However, I believe that no man actually rises to the top by making mistakes. People only rise to the top by doing the right things over a long period of time. In this book, I share with you the success habits and secrets of one of the greatest leaders of Charismatic revival on earth today...Bishop David Olaniyan Oyedepo May we all fulfill the purpose for which we are born.

Bringing together prominent Africanist scholars from a variety of disciplines, this book offers a comprehensive treatment of the social, cultural and political impact of Pentecostal-Charismatic Christianity in postcolonial sub Saharan Africa.
