CSEC(R) English Paper 03 Practice Workbook by Z. Y. Banton This is the only book of its kind. It presents the necessary educational support private candidates need in order to obtain the full 21% for Paper 03 of the CSEC(R) English exam. This book is complete with invaluable features such as: 1) Model Responses 2) Guided Practice 3) Independent Practice Papers What are Model Responses to CSEC(R) English Paper 03? The Model Responses in this book were carefully crafted in such a way that private candidates will be able to have a greater appreciation for what is required of them. These are high-quality responses which candidates are encouraged to examine. What are Guided Practice Questions? This book is constructivist in nature. After students have examined the model responses, they are given the opportunity to craft their own responses with the useful guidelines and tips throughout the Guided Practice. This way, students will gradually develop the skills and critical thinking required. What are Independent Practice Exercises? The Independent Practice Exercises replicate the structure of past papers. After students have been afforded the well-needed educational scaffolding in the Model Responses, The Guided Practice, they should be competent enough to complete the Independent Practice with mastery.

Principles of Accounts is a major new textbook which provides in-depth coverage of all aspects of the CXC Principles of Accounts and Book Keeping syllabuses at basic and general levels. It is also an invaluable resource book for students preparing for advanced level accounting and for those taking accounting examinations with other

examining bodies. Emphasis is placed on a clear, thorough, step-by-step presentation suitable for both classroom use and self study. Worked examples of typical exam-style questions reinforce the text and illustrate the layout of different kinds of accounts. Numerous exercises in each chapter give students plenty of practice on questions based on CXC requirements. Selected answers are given at the back of the book.

This textbook provides a full two-year course for students in the fourth and fifth years of Caribbean secondary schools. The book revises and develops all the language skills that students need to help them achieve the best result in their examinations. The text features: a wide range of stimulating passages; writing from all genres; exercises and activities to challenge and motivate all abilities; attention to developing competence in all the language skills; and particular focus on improved accuracy in comprehension and writing.

Ensure complete coverage of the new CSEC English syllabus with focused exam-practice and SBA guidance. - Test understanding with Paper 2 practice focusing on summary writing skills, expository writing, narrative discourse and persuasive discourse, plus practice Paper 1 items throughout. - Help students prepare for SBA with annotated examples and rubrics. - Develop comprehension skills with a genre-based approach. - Support students of all abilities with an incremental approach that builds writing skills through practice exercises.

Practice Exercises for CSEC English Language has been revised and updated to fully meet the requirements of CSEC English syllabus A. The second edition provides a wide range of practice questions for Papers 1 and 2 to help students improve their performance in the examination. includes two sample test papers so that students can practice on material that will be similar to the real examination paper. uses a wide range of extracts including poetry, prose extracts, diagrams, adverts and material from web sites to motivate students. provides comprehensive practice in the skills needed to do well in the exam. has a fresh new page design to make it more accessible and easier to use.

Study Guides for CAPE have been developed and written by CXC to provide CAPE candidates in schools and colleges with resource materials to help them prepare for their exams. Matching the topics in the syllabus, the student-friendly structure and content enable

students to develop their skills and confidence as they approach the examination.

This book covers the new EDPM CSEC syllabus to be taught from September 2011. It introduces computing fundamentals, electronic communication and keyboarding techniques before teaching the Microsoft Office (2003 - 2010) skills required by the course. Next, students are shown several aspects of document preparation, complete with sample documents. After covering document management and ethics, it gives SBA tips and exam papers (with answers included on the CD). Exercises and summaries are found at the end of each chapter. The accompanying CD-ROM is packed with material including interactive revision questions, PowerPoint presentations, tutorial videos, exercise files and a comprehensive glossary.
