A captivating, no-holds-barred collection of new poems from an acclaimed poet and novelist with a fierce and original voice Dothead is an exploration of selfhood both intense and exhilarating. Within the first pages, Amit Majmudar asserts the claims of both the self and the other: the title poem shows us the place of an Indian American teenager in the bland surround of a mostly white peer group, partaking of imagery from the poet 's Hindu tradition; the very next poem is a fanciful autobiography, relying for its imagery on the religious tradition of Islam. From poems about the treatment at the airport of people

who look like Majmudar ( “ my dark unshaven brothers / whose names overlap with the crazies and God fiends ” ) to a long, freewheeling abecedarian poem about Adam and Eve and the discovery of oral sex, Dothead is a profoundly satisfying cultural critique and a thrilling experiment in language. United across a wide range of tones and forms, the poems inhabit and explode multiple perspectives, finding beauty in every one.

The prize-winning poet reflects on what sustains us in a sundered world. With his dazzling ability to set words spinning, Amit Majmudar brings us poems that sharpen both wit and knives as he examines our "life in solitary." Equally engaged with human

history and the human heart, Majmudar transfigures identity from a locus of captivity to the open field of his liberation. In pieces that include a stunning central sequence, "Letters to Myself in My Next Incarnation," the poet is both the Huck and Jim of his own adventures. He is unafraid to face human failings: from Oxycontin addiction to Gujarat rioting, he examines--often with dark comedy--the fragility of the soul, the unchartability of pain, and the reasons we sing and grieve and make war. All-American and multitudinously alone, dancing in his confinement, Majmudar is a poet of exuberance and transcendence: "What I love here, / Poems and women mostly, / I know you can't remember," he

Yoga philosophy and practice are increasingly being used therapeutically to help people overcome disordered eating patterns—like overeating, food addiction, and stress eating—and the resulting emotional distress they can cause. Sarahjoy Marsh offers a program using yoga to address food-centered behaviors and body image issues. She illuminates the nature of addiction and offers a methodical approach to recovery that is neither dogmatic nor rigid; rather, it is compassionate, hopeful, and deliberate. Full of clear, empathic advice and photographs of the step-by-step practices, this book will

Countless retellings, translations, and reworkings of the Ramayana's captivating story exist-but none are as vivid, ingenious and powerful as Amit Majmudar's Sitayana. Majmudar tells the story of one of the world's most popular epics through multiple perspectives, presented in rapid sequence-from Hanuman and Ravana, down to even the squirrel helping Rama's army build the bridge. However, above all,

into two nations, communal violence breaks out on both sides of the new border and streaming hordes of refugees flee from blood and chaos. At an overrun train station, Shankar and Keshav, twin Hindu boys, lose sight of their mother and join the human mass to go in search of her. A young Sikh girl, Simran Kaur, has run away from her father, who would rather poison his daughter than see her defiled. And Ibrahim Masud, an elderly Muslim doctor driven from the town of his birth, limps toward the new Muslim state of Pakistan, rediscovering on the way his role as a healer. As the displaced face a variety of horrors, this unlikely quartet comes together, defying every rule of self-preservation to forge a future of hope. A dramatic,
