Love
His mother nicknamed him gorilla when he was a child, because he had a very hairy back. He called her the bird. This is a story of the devastation of mental illness, it is also a story of a mother's fierce, abiding love for her child. Mental illness ran in their family, but Zack had no clue the havoc this would cause in his own life.

In a spare, powerful text and evocative illustrations, the Newbery medalist Katherine Applegate and the artist G. Brian Karas present the extraordinary real story of a special gorilla.
