it's true what they say, what's done in the dark always comes to the light. Will Tia survive Ace's raft or
will her betrayal cost her her life? Betrayed by the only two people he has left in the world, Ace feels
alone. The only thing that keeps him going is the anticipation of the birth of his child that Tia is carrying.

murder. It wasn't until the presence of someone else that begins to intrigue him and starts to peak his interest, that allows Ace to forget about Tia and move on. Or does his love for her and the idea of having a family consume him? Ace loves Tia on one hand but hates her on another and doesn't want anyone else to have her. Can they fix their relationship or would their love be the end of both of them?

There's a fine line between love and hate. And these two can't decide which side they're really on. . . . Poetry professor Naomi Price is loved by her students, happily works around the clock, and has credentials no one could deny. Except, it seems, for her arch-nemesis at Hainamor University. The man never has anything polite to say, and now the two of them are competing for a prestigious honor that just so happens to come with a cash award. With every move Naomi makes to impress her colleagues, her rival is right there beside her, elbow to elbow, making it impossible to ignore how devastatingly hot he is—even if he is a total bastard. Sebastian Blake knows what Naomi thinks of him, and he's trying hard not to care. Maybe he's been grouchy with her in the past, but she isn't making his life any easier with her crusade to win over the Personnel Committee and earn an honor that is rightfully his. Naomi just doesn't quit, and though he'd never admit it, there's something sexy about her. Something that has him tied up in knots. Something that makes him want to move beyond his painful past and take a chance—at least for as long as it takes to kiss her silly and see what happens next. Warning: Intense bickering leads to intense sexual chemistry! This ebook includes an excerpt from another Loveswept title. Ten years ago I gave my virginity to an arrogant, man whoring jerk who never called me back. Ten minutes ago I just found out he's my new coworker. Who knew a failed blind date would land me square in the lap of the gorgeous bastard that cut and run after one passionate night ten years ago. Falling for Nate Baldwin in college was the biggest mistake of my life. Nothing like a good old fashioned heartbreak to teach a girl a valuable lesson. Now? He's just a cocky, prank-playing bastard in an expensive suit. I can't decide if I want to punch him in his perfect mouth or kiss it. Turns out there's a very fine line between hatred and desire. A good anger bang on a desk...or stairwell...or car never hurt anyone. But what happens when he calls a truce and starts playing nice? Not a chance in hell I'm falling for him again. That mistake stays in the past. **GRAB THE HILARIOUS AND SMOLDERING PREQUEL TO THE BEST SELLING CASTILLE HOTEL SERIES TODAY! A darkly comic and heartbreakingly honest YA novel about finding the courage to help a friend who can't stop hurting herself. Zoe and Hank (short for Hannah) have been inseparable since they met in elementary school. The leader of the pack, Zoe is effortlessly popular while Hank hides comfortably in her shadow. But when Zoe's parents unexpectedly divorce, Zoe's perfect facade starts cracking little by little. Sinking under the weight of her broken family, Zoe develops an eating disorder. Now she must rely on Hank for help. Hank struggles to help Zoe; after all, she is used to agreeing, not leading. How can she help her best friend get better before it's too late? Written partially in letters from Zoe and mostly in narrative from Hank's perspective, Abby Sher's *Miss You Love You Hate You Bye* is a poignant and eye-opening novel about friendship, mental health, and learning to put yourself first.
