Rizzoli International Publications, 256 pages, 2000. ISBN  
0-8478-2284-2. It's clear that Michael Bonesteel's mission in "Henry  
Darger: Art and Selected Writings" is to rescue the loner artist of  
Webster Avenue from his most obvious appeal -- weirdness. Darger is a  
major figure in 20th Century American art, and Bonesteel's disciplined  
introductory essay adds significantly to the well-known scraps of his  
story while avoiding the overreaching analysis so common to writing on  
outsiders.

2020. Andrew Edlin Gallery is excited to present “The Double-Sided Dominions of Henry Darger,” the first solo exhibition of the artist’s work at the gallery in over a decade. The show features nine double-sided watercolor drawings, eighteen compositions in all, which were originally hand-bound by the artist into at least three separate gigantic pictorial albums.

*Henry Darger*

The visual subject matter of his work ranges from idyllic scenes in Edwardian interiors and tranquil flowered landscapes populated by children and fantastic creatures, to scenes of horrific terror and carnage depicting young children being tortured and massacred. Much of his artwork is mixed media with collage elements. Darger's artwork has become one of the most celebrated examples of outsider art.

American, 20th century. Born 1892, Chicago, Illinois; died 1973, Chicago, Illinois. Henry Darger is one of the few Outsider Artists to achieve significant fame in mainstream culture, and is often named as the quintessential American Outsider due to the extensive and powerful body of artwork he kept hidden during his reclusive life.

A near recluse, Darger possessed a keen eye, able to blend the zeitgeist with a timeless, cabalistic sense of history and his own kinks. Darger's art in watercolour, graphite, carbon tracing and collage was created for his private fulfilment in the confines of a life half-hidden.
