How to be F*cking Awesome is a basic personal development book. As you may have guessed from the title, it does contain profanity and the author can come across as quite immature and laddish. However, if that doesn't bother you, the audiobook is a short and easy listen which would make a great introduction for those who are new to personal development and/or audiobooks.

How to Be F*cking Awesome: Amazon.co.uk: Meredith, Dan

If you've been looking for a kick up the backside to finally launch that business, start a new project you've been putting off or just become awesome, this book is for you. So, if you are sick of the usual guru bullsh*t advice, and want to make your life truly awesome, then read this book from cover to cover, and do every single thing Dan says.

History that doesn't suck: Smart, crude, and hilariously relevant to modern life. Those who don't know history are doomed to repeat it. Too bad it's usually boring as sh*t. Enter The Captain, the ultimate storyteller who brings history to life (and to your life) in this hilarious, intelligent, brutally honest, and crude compendium to events that happened before any of us were born. The entries in this compulsively readable book bridge past and present with topics like getting ghosted, handling haters, and why dog owners rule (sorry, cat people). Along the way you'll get a glimpse of Edith Wharton's sex life, dating rituals in Ancient Greece, catfishing in 500 BC, medieval flirting techniques, and squad goals from Catherine the Great. You'll learn why losing yourself in a relationship will make you crazy--like Joanna of Castile, who went from accomplished badass to Joanna the Mad after obsessing over a guy known as Philip the Handsome. You'll discover how Resting Bitch Face has been embraced throughout history (so wear it proudly). And you'll see why it's never a good idea to f*ck with powerful women--from pirate queens to diehard suffragettes to Cleo-f*cking-patra. People in the past were just like us--so learn from life's losers and emulate the badassess. The Captain shows you how.

'NOOR HIBBERT IS A FORCE OF NATURE AND HER BOOK IS A CANDID, NO-BULLSH*T BLUEPRINT FOR LIVING YOUR MOST AMAZING LIFE. INVIGORATING AND INSPIRING!' Sarah Knight, New York Times bestselling author of The Life-Changing Magic of Not Giving a F*ck 'A ROUSING GUIDE ON HOW TO BUILD MOMENTUM TOWARDS YOUR GOALS. QUASH YOUR INNER DOUBTS AND CHARGE AT WHAT YOU REALLY WANT' , RED Magazine JUST F*CKING DO IT will take you on a mind-altering journey of self discovery and personal transformation using an approach which combines psychological rigour with spiritual power - helping you to become the best version of yourself and create a life of happiness and abundance. True personal development can only be achieved by changing how you think and interact with the world. This book, by the creator of the hit 'Think It, Get It' podcast, will demonstrate that, alongside purposeful and practical steps to improve your life, you have the power to multiply your success and happiness by harnessing the Law of Attraction. Whatever obstacles you face, this book will show you how to stop thinking small, make positive changes and live the life you deserve.

"Emily Dubberley is a refreshing and thorough coach, taking students by the hand and various other parts of their anatomy in this most crucial area of human interaction. The Field Guide to F*CKING is a valuable new take on the subject, giving life lessons in life-making (if you're not careful about it). So many treatises of this kind are dreary and dull but this has a wit and sparkle to keep the reader, ahem - eager student, happily at his of her education. It reminds one of the Survivor's Guide series, actually brimming with facts and unusual 'I never knew that's', but a rollicking fun read too, to keep you riveted."—Robert Page, Member AASECT, SSSS, WAS and BASE, and Creator and Producer of the award winning Lovers' Guide, the world's number one brand for sex and relationships "In these liberated times, we students of the wonderful subject of Sex might think we know it all. But if we want to gain true mastery of our subject we will want to not only hone our practical skills, but also need be totally au fait with the underpinning of theory - to know about the latest research, explore new understandings, and benefit from the plethora of studies that have been done on the topic in recent years. It can seem a daunting task - but sexpert Emily Dubberley has made that task easy and enjoyable. In her new book The Field Guide to F*CKING, she uses the 'study guide' model to pack in the facts, expose the fictions and tell us absolutely everything we need to know about our special topic. Every page contains not only full coverage of the basics, but a whole heap of little-known facts, new insights and inspirational suggestions. And all this done it in such a humorous way that one is left smiling while all the time learning. Thought you'd seen it all with sex manuals? Well, now you have!"—Susan Quilliam, coauthor of The Joy of Sex, published by Octopus Field guides to birds, bees, and trees abound. However, until now, there has been no handy reference to the wildest creature of all (the horny human) in his natural habitat (the bedroom). The Field Guide to F*CKING is a hilarious encyclopedia that shows how to identify physical characteristics and bizarre seduction rituals of the creatures that are likely to be encountered during sexual forays. Hey, even members of the same species can have anatomical differences, right? What does one do when encountering a mushroom-headed penis or a hooded clit? Each entry cross-references which techniques for fucking go best with each genital size, shape, and quirk. For example, if you run across a large, thick penis, avoid positions where the female's legs are over her head—unless she doesn't mind having her cervix bumped. The Field Guide to F*CKING teaches you how to map out your partner's primary erogenous zones and decode sexual signals based on body language, kissing, and touch techniques. Sex has attracted many adventurers in search of its oft-elusive pleasures. The Field Guide to F*CKING is your indispensable guide to navigating the rocky terrain of mating and seduction with ease.

Give boredom the middle finger with this fun, hilarious and slightly profane activity book. Who gives a sh!t about solving puzzles anymore? Say " eff you " to boring activity books with this irreverently vulgar upgrade. Including everything from crude crosswords and off-color coloring pages to wickedly funny word searches and salacious scrambles, this book is full of over 100 impolite activities guaranteed to make you giggle as you kill time and enjoy the activities on an entirely new level. The perfect gift for someone who enjoys both puzzles and slightly naughty humor, The Best F*cking Activity Book Ever will surprise and amuse those special potty mouths who bring the most creative and colorful language into your life. Cheeky with profanity, this is not your grandparents ' activity book. So strap the f*ck in and tell boredom to eff off!

Brutally honest, often hilarious, hard-won lessons in learning to love and care for yourself from a young vice president at Comedy Central who was called "ahead of her time" by Jordan Peele "Compelling, persuasive, and useful no matter where you are in your life."--Chelsea Handler, #1 New York Times bestselling author of Life Will Be the Death of Me "A bracingly honest, funny read . . . like Wild meets You Are a Badass."--Adam Grant, #1 New York Times bestselling author of Give and Take, Originals, and Option B By the time she was in her late twenties, Tara Schuster was a rising TV executive who had worked for The Daily Show with Jon Stewart and helped launch Key & Peele to viral superstardom. By all appearances, she had mastered being a grown-up. But beneath that veneer of success, she was a chronically anxious, self-medicating mess. No one knew that her road to adulthood had been paved with depression, anxiety, and shame, owing in large part to her minimally parented upbringing. She realized she'd hit rock bottom when she drunk-dialed her therapist pleading for help. Buy Yourself the F*cking Lilies is the story of Tara's path to re-parenting herself and becoming a "ninja of self-love." Through simple, daily rituals, Tara transformed her mind, body, and relationships, and shows how to * fake gratitude until you actually feel gratitude * excavate your emotional wounds and heal them with kindness * identify your self-limiting beliefs, kick them to the curb, and start living a life you choose * silence your inner frenemy and shield yourself from self-criticism * carve out time each morning to start your day empowered, inspired, and ready to rule * create a life you truly, totally f*cking LOVE This is the book Tara wished someone had given her and it is the book many of us desperately need: a candid, hysterical, addictively readable, practical guide to growing up (no matter where you are in life) and learning to love yourself in a non-throw-up-in-your-mouth-it's-so-cheesy way.

How am I doing? I'm fan-fucking-tastic of course! I've always been an optimistic person. That optimism has led me to countless opportunities both personal and professional that have given me more success than I had ever dreamed of. Through the years I have accumulated bits of wisdom that serve me each and every day. This simple book contains some of that wisdom in hopes of helping YOU create a more fulfilling and abundant life - a life that is fan-fucking-tastic! Each time you pick up this book, something new may resonate and help you in some area of your life that needs a little something. Be sure and keep it close by for those days you need it

Like a yoga class you can hold in your hand, a beautiful, full-color guide to letting sh*t go Our world is filled with annoyances, and sometimes you need a little dose of humor to cope with the news cycle, your irritating co-worker, or that telemarketer who won ' t stop calling. This refreshingly honest self-help book will guide you through a meditation to " breathe in strength, and breathe out

bullsh*t." An excellent gift for yourself or others, F*ck That is the very embodiment of modern-day self-care. May it help you find peace with the challenges that surround you...because they are f*cking everywhere. Based on the viral video that had everyone from yogis to workaholics raving, F*ck That is the completely truthful and oddly tranquil guide to relieving stress and achieving inner peace.

#1 NEW YORK TIMES BESTSELLER The Try Guys deliver their first book—an inspirational self-improvement guide that teaches you that the path to success is littered with humiliating detours, embarrassing mistakes, and unexpected failures. To be our best selves, we must become secure in our insecurities. In The Hidden Power of F*cking Up, The Try Guys - Keith, Ned, Zach, and Eugene - reveal their philosophy of trying: how to fully embrace fear, foolishness, and embarrassment in an effort to understand how we all get paralyzed by a fear of failure. They ' ll share how four shy, nerdy kids have dealt with their most poignant life struggles by attacking them head-on and reveal their - ahem - sure-fail strategies for achieving success. But they ' re not just here to talk; they ' re actually going to put their advice to work. To demonstrate their unique self-improvement formula, they ' ll each personally confront their deepest insecurities. A die-hard meat-lover goes vegan for the first time. A straight-laced father transforms into a fashionista. A perpetually single sidekick becomes the romantic lead. A child of divorce finally grows more intimate with his family. Through their insightful, emotional journeys and surprising, hilarious anecdotes, they ' ll help you overcome your own self-doubt to become the best, most f*cked up version of yourself you can be!

Your content's probably shit. Don't panic. You're not alone. Most people, and companies for that matter, produce content that's about as effective as a crepe paper condom. Take a look at the social accounts of brands. At company blogs. At promoted content that appears on your feeds. The majority of the stuff you look at will have very little engagement, and from the engagement the content did get, very little of it will be from that company's ideal customer. Why? Because it's probably one of two things (or often both). It's either more boring than bird watching with Bill Oddy, or it's trying to sell something. And nobody wants to be sold to. So how do you make sure your content stands out? How do you use your social accounts, blogs and eBooks to drive new customers? Well, you're about to read the thoughts of content marketer, Dan Kelsall. He swears a lot, comes up with fucking weird analogies, and makes highly inappropriate jokes. But he knows his stuff and, in a world where people are crippled by a fear of being truly honest, he says it how it is. He may not be everyone's cup of tea, but when it comes to building a personal brand, and writing engaging content, his techniques and tips can work for anyone. This book is a refreshingly raw take on content marketing, with just one simple aim: To help you transform your mindset and start creating fucking good content.
