Dating, for a guy, is a pretty lonely ordeal. Most men don't really talk about relationships the way women do. Nor do they often have the support that women do, either. So, it's not surprising that a lot of men end up getting lonely and unable to find quality advice. Part of the issues that men face when dating is that they don't know where to turn for advice--and often end up turning to the wrong sources. The biggest part of the issue is that guys often believe that relationship books are only "a girl's thing." That's just not true! While it's true that relationship advice books are mostly bought by women, there are a ton of books out there that are meant to help men get the success they're seeking out in love. With this dating book for men, you will discover: bulletproof way to completely eliminate social awkwardness to become a social god, not just with girls how to attract, not just average women but ones that will add meaning to your life unleash your hidden inner confidence when interacting with women. Everyone has confidence but not everyone knows how to unleash it Help you understand women. Why they say some and do the things they do. And why they are actually smarter than most men think. And many more...
