Not all heroes are good guys. With a body count on his soul and blood on his hands, Killian Nox lived in the gray. Ruthlessly single-minded, if he wanted something, it was his. And when it came to the gorgeous lass with a fiery attitude, he didn't just want her. He needed her. With southern-bred manners and a snark all her own, Augusta 'Gus' Allan was a connoisseur of cheap wine, delicious Mexican food, and good TV. Unfortunately, her taste in men wasn't as well-developed. When her knight in shining armor turned out to be a douche in tinfoil, Gus never expected her real hero to be a sexy-accented, tattooed beast of a man. But he was exactly who she needed. Gus had no clue how comforting a monster in the dark could be... Until Nox.

The Strange Case of Dr. Jekyll and Mr. Hyde is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr. Henry Jekyll, and the evil Edward Hyde. There are two personalities within Dr. Jekyll, one

# Online Library Hyde And Seek Hyde Series

## Book 1

apparently good and the other evil; completely opposite levels of morality. The novel's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" coming to mean a person who is vastly different in moral character from one situation to the next. 'The Strange Case of Dr. Jekyll and Mr. Hyde' is a thrilling Gothic horror novel. John Utterson, a prosecutor, is on his weekly walk with his relative, who proceeds to tell him of an encounter with a man he had seen some months ago while coming home late at night from Cavendish Place. The tale describes a sinister figure named Edward Hyde who tramples a young girl, disappears into a door on the street, and re-emerges to pay off her relatives with 10 pounds in gold and a cheque signed by respectable gentleman Dr. Henry Jekyll (a client and friend of Utterson's) for 90 pounds. Jekyll had recently and suddenly changed his will to make Hyde the sole beneficiary. This development concerns and disturbs Utterson, who makes an effort to seek out Hyde. Utterson fears that Hyde is blackmailing Jekyll for his money. Upon finally managing to encounter Hyde, Hyde's ugliness, as if deformed, amazes Utterson. Although Utterson cannot say exactly how or why, Hyde provokes an instinctive feeling of revulsion in him. Much to Utterson's surprise, Hyde willingly offers Utterson his address. After one of Jekyll's dinner parties, Utterson stays behind to discuss the matter of Hyde with Jekyll. Utterson notices Jekyll turning pale, yet he assures Utterson that everything involving Hyde is in order and that he is to be left alone.

More than just a dimpled smile and chiseled jaw, Theo Amato's quick-thinking and bold confidence made him

# Online Library Hyde And Seek Hyde Series Book 1

successful. Heavy responsibilities left time for close friends and family, but nothing more. It wasn't until he looked into a pair of big green eyes that his focus changed. Full lips, a gorgeous face, and an endearing personality had him hooked from the start. There was nothing Dahlia Kincaid enjoyed more than a good book, a funny movie, and a full night's sleep. Long workdays meant she rarely had time for any of them, but the sacrifice was worth it to live in the city. It wasn't until she met a man with model good looks and sexy veined hands that her life changed in ways she'd never even known to dream of. Wickedly sweet, Theo gently and strategically pulled Dahlia from her rut, handing her the world in the process. But shadows play tricks on the eyes, and life wasn't always what it seemed. With them... It was better.

“ An ingenious revision ” of Robert Louis Stevenson ’ s classic Gothic story told through the eyes of the fiend (The New York Times Book Review). Mr. Hyde is trapped, locked in Dr. Jekyll ’ s house, certain of his inevitable capture. As the dreadful hours pass, he has the chance, finally, to tell his side of the story—one of buried dreams and dark lusts, both liberating and obscured in the gaslit fog of Victorian London ’ s sordid backstreets. Summoned to life by strange potions, Hyde knows not when or how long he will have control of “ the body. ” When dormant, he watches Dr. Jekyll from a distance, conscious of this other, high-class life but without influence. As the experiment continues, their mutual existence is threatened, not only by the uncertainties of untested science, but also by a

# Online Library Hyde And Seek Hyde Series Book 1

mysterious stalker. Hyde is being taunted—possibly framed. Girls have gone missing; a murder has been committed. And someone is always watching from the shadows. In the blur of this shared consciousness, can Hyde ever truly know if these crimes were committed by his hands? Narrated by Hyde, this serpentine tale about the nature of evil, addiction, and the duality of man “delivers a new look at this enigmatic character and intriguing possible explanations for Jekyll’s behavior” (The Washington Post, Five Best Thrillers of 2014). “Hyde brings into the light the various horrors still hidden in the dark heart of Stevenson’s classic tale . . . a blazing triumph of the gothic imagination.”

—Patrick McGrath, author of *Asylum* “Earthy, lurid, and unsparring . . . a worthy companion to its predecessor. It’s rich in gloomy, moody atmosphere (Levine’s London has a brutal steampunk quality), and its narrator’s plight is genuinely poignant.” —The New York Times Book Review, Editors’ Choice

A fresh history of the West grounded in the lives of mixed-descent Native families who first bridged and then collided with racial boundaries. Often overlooked, there is mixed blood at the heart of America. And at the heart of Native life for centuries there were complex households using intermarriage to link disparate communities and create protective circles of kin. Beginning in the seventeenth century, Native peoples—Ojibwes, Otoes, Cheyennes, Chinooks, and others—formed new families with young French, English, Canadian, and American fur traders who spent months in smoky winter lodges or at boisterous summer rendezvous. These families built cosmopolitan trade centers from Michilimackinac on the Great Lakes

# Online Library Hyde And Seek Hyde Series Book 1

to Bellevue on the Missouri River, Bent ' s Fort in the southern Plains, and Fort Vancouver in the Pacific Northwest. Their family names are often imprinted on the landscape, but their voices have long been muted in our histories. Anne F. Hyde ' s pathbreaking history restores them in full. Vividly combining the panoramic and the particular, *Born of Lakes and Plains* follows five mixed-descent families whose lives intertwined major events: imperial battles over the fur trade; the first extensions of American authority west of the Appalachians; the ravages of imported disease; the violence of Indian removal; encroaching American settlement; and, following the Civil War, the disasters of Indian war, reservations policy, and allotment. During the pivotal nineteenth century, mixed-descent people who had once occupied a middle ground became a racial problem drawing hostility from all sides. Their identities were challenged by the pseudo-science of blood quantum—the instrument of allotment policy—and their traditions by the Indian schools established to erase Native ways. As Anne F. Hyde shows, they navigated the hard choices they faced as they had for centuries: by relying on the rich resources of family and kin. Here is an indelible western history with a new human face.

(Until Mayhem) An International Bestseller She was my princess.I was her psycho.Two worlds colliding with a BOOM.There was a sh\*tstorm brewing. Whispers. Rumbles. A rot--fueled by greed and protected by corruption--that'd seeped like sewage, eating away at everything it touched. The only people I trusted were my brother by blood, my brothers by patch, and the crazy Irish-Scottish bastard I did jobs

# Online Library Hyde And Seek Hyde Series Book 1

for. That was why, when the hot-as-hell blonde started trailing my brothers and me, I had to act. Maybe Ophelia Kline was working with the enemy--playing me with lies from that damn mouth. Or maybe she was innocent--caught in the spread of toxic rot. Either way, she was mine. And when push came to glock-in-the-face, I wouldn't let her go. Because all good relationships start with a BOOM and a little kidnapping... right? ~ ~ ~ This is a Happily Ever Alpha novella featuring crossover from the Hyde Series and Aurora Rose Reynolds' Until Series. It can be read as a standalone, but it's recommended you read Until Nox first since a certain accented someone shows up often. Warning: Not recommended for readers under the age of 18 due to alllll the good things: Adult language. Adult situations. Biker hotties who work in the gray. And an OTT hero who knows what he wants when he gets hit by the BOOM.

In *Trickster Makes This World*, Lewis Hyde brings to life the playful and disruptive side of human imagination as it is embodied in trickster mythology. He first visits the old stories—Hermes in Greece, Eshu in West Africa, Krishna in India, Coyote in North America, among others—and then holds them up against the lives and work of more recent creators: Picasso, Duchamp, Ginsberg, John Cage, and Frederick Douglass. Twelve years after its first publication, *Trickster Makes This World*—authoritative in its scholarship, loose-limbed in its style—has taken its place among the great works of modern cultural criticism. This new edition includes an introduction by Michael Chabon.

In the hills of Southern California, a series of violent

# Online Library Hyde And Seek Hyde Series Book 1

and gruesome deaths occurs within the space of a few hours. The murders are attributed to some unknown, savage animal. Precisely one month later, college student Meg Talley is attacked in the same manner. Astonishingly, she survives, but when she insists that her assailant was a hideous monster-like creature, she is called hysterical. Journalist Douglas Morgan, private eye Nick Grundel, and horror novelist Blake Corbett, however, have each theorized that the mangling, incredible though it seems, might be the work of a werewolf. Now they team up with Meg to peruse an intensive investigation. When a suspect is apprehended and confined, the four are on hand. But neither skeptics nor believers are prepared for the bone-chilling terror and cataclysmic violence that will be unleashed in the night of the January full moon...

“ One of our true superstars of nonfiction ” (David Foster Wallace), Lewis Hyde offers a playful and inspiring defense of forgetfulness by exploring the healing effect it can have on the human psyche. We live in a culture that prizes memory—how much we can store, the quality of what ’ s preserved, how we might better document and retain the moments of our life while fighting off the nightmare of losing all that we have experienced. But what if forgetfulness were seen not as something to fear—be it in the form of illness or simple absentmindedness—but rather as a blessing, a balm, a path to peace and rebirth? A Primer for Forgetting is a remarkable experiment in scholarship, autobiography, and social criticism by the author of the classics *The Gift* and *Trickster Makes This World*. It forges a new vision of forgetfulness by assembling fragments of art and writing from the ancient world to

# Online Library Hyde And Seek Hyde Series Book 1

the modern, weighing the potential boons forgetfulness might offer the present moment as a creative and political force. It also turns inward, using the author ' s own life and memory as a canvas upon which to extol the virtues of a concept too long taken as an evil.

Drawing material from Hesiod to Jorge Luis Borges to Elizabeth Bishop to Archbishop Desmond Tutu, from myths and legends to very real and recent traumas both personal and historical, *A Primer for Forgetting* is a unique and remarkable synthesis that only Lewis Hyde could have produced.
