Now a Netflix Original Film directed by Amy Poehler! "Moxie is sweet, funny, and fierce. Read this and then join the fight."—Amy Poehler An unlikely teenager starts a feminist revolution at a small-town Texas high school in this novel from Jennifer Mathieu, author of *The Truth About Alice*. **MOXIE GIRLS FIGHT BACK!** Vivian Carter is fed up. Fed up with an administration at her high school that thinks the football team can do no wrong. Fed up with sexist dress codes, hallway harassment, and gross comments from guys during class. But most of all, Viv Carter is fed up with always following the rules. Viv's mom was a tough-as-nails, punk rock Riot Grrrl in the '90s, and now Viv takes a page from her mother's past and creates a feminist zine that she distributes anonymously to her classmates. She's just blowing off steam, but other girls respond. As Viv forges friendships with other young women across the divides of cliques and popularity rankings, she realizes that what she has started is nothing short of a girl revolution. *Moxie* is a book about high school life that will make you wanna riot! Also by Jennifer Mathieu: *The Truth About Alice*: A powerful look at slut-shaming, told through the perspectives of four small-town teens, about how everyone has a motive to bring—and keep—a teen girl down. *Devoted*: A girl with a controlling, conservative family realizes that her life is her own—if only she can find the courage to fight for it. *Afterward*: A tragic kidnapping leads to an unlikely friendship in this novel about

New York Times bestselling author, *Big Sister Emeritus*, and Chief BFF Jen Hatmaker returns with another round of hilarious tales, shameless honesty, and hope for the woman who has forgotten her moxie. In this highly anticipated new book, beloved author Jen Hatmaker parlays her own triumphs and tragedies into a sigh of relief for all normal, fierce women everywhere. Whether it ’ s the time she drove to the wrong city for a fourth-grade field trip (“ Why are we in San Antonio? ”) or the way she learned to forgive (God was super clear: Pray for this person every day, which was the meanest thing He ever said to me. I was furious.), she offers a reminder to those of us who sometimes hide in the car eating crackers that we do have the moxie to get back up and get back out. We can choose to live undaunted “ in the moment ” no matter what the moments hold, and lead vibrant, courageous, grace-filled lives.

Suddenly Moxie is involved in Boston's biggest unsolved mystery: The Isabella Stewart Gardner Museum art heist. Moxie has two weeks to find the art, otherwise she and the people she loves will be in big-time danger. Her tools?
