This book is suitable for those preparing for the examinations of ICB, AAT, IAB, OCR, AQA and all other courses in computerised accounting. Learning computerised book-keeping skills is very different from manual accounting. It can seem more like learning computer studies than book-keeping, and it is often difficult to connect it with what may have been previously learned in manual book-keeping. In this book Dr Marshall resolves this problem with the same skill and insight that made his book on manual book-keeping, Mastering Book-keeping, so useful to readers over the years. Deliberately constructing a clear and continuous bridge between the methods so that the student never loses sight of the double entry concept, he presents the material in a way that makes computerised book-keeping clear and easy to understand.

Double-entry accounting can be easy if it's explained well, and Mastering Book-keeping does just that. Now in its updated 8th edition, this popular book has helped thousands of people to get to grips with book-keeping. It explains the principles and practice of book-keeping sequentially, and includes: - The daybooks and ledger accounts - End of year accounting - Sole proprietorships, limited companies, partnerships and not-for-profit organisations - Using computers for accounting - Accounting for VAT - Progressing to more advanced management accounting - The implications of the Data Protection Act 1998 on book-keepers Plus step-by-step guides to compiling a balance sheet, depreciation, accounting for bad and doubtful debts, and much more. Everything is made clear with easy-to-follow explanations. Typical transactions are illustrated throughout to make the information even easier to understand. This book is suitable for those preparing for the examinations of ICB, AAT, IAB, OCR, AQA and all other courses in book-keeping and accounts.

Mastering Spreadsheet Bookkeeping will equip you with the knowledge to write your accounts spreadsheets successfully. Whether you are studying for a qualification in bookkeeping or you are a small business owner needing to bring your accounts up-to-date, Mastering Spreadsheet Bookkeeping will give you the knowledge and skills to do this effectively, helping you to set up your own computerized accounting package without splashing out on expensive new software. With Mastering Spreadsheet Bookkeeping you will gain a thorough knowledge of how to use spreadsheets to their fullest advantage, saving you invaluable time and labour. Aimed at students of bookkeeping and small business owners, Mastering Spreadsheet Bookkeeping takes you step-by-step through what you need to know to use spreadsheets with confidence. With its focus on MS Excel and its clear, step-by-step approach, Mastering Spreadsheet Bookkeeping will help you to develop your own computerized bookkeeping skills with confidence. In addition, exam-style questions and answers are provided for self-testing so you may consolidate your bookkeeping knowledge as you learn.

Have you ever thought about learning how to make your computer do what you want it to do? Do you want to learn to program but just don't know where to start? Have all other learning resources got you confused with over explanations, rather than walking you in the right direction? Don't worry, you have to look no further. Written by not just an ...

The book explains the principles and practice of bookkeeping sequentially, including: ·The bank reconciliation ·Writing up the petty cash book ·Extracting a trial balance ·Accruals and prepayments ·Setting up a limited company ·Accounting for VAT Plus step-by-step guides to compiling a balance sheet, depreciation, accounting for bad and doubtful debts and much more. The 10th edition also includes significant enhancements to reflect the teachings of the principle bookkeeping institutes as they endeavour to raise the professional competence of their members. For example, accounting staff are increasingly being required to extend their record keeping into management accounts areas. The new edition includes chapters on stock control and budgetary control accounting. In addition, it will include more detailed guidance on the significance and importance of ratio analysis and statements of sources and application of funds, plus the latest available IAB and ICB exam papers.
