Julia Jones The Teenage Years - Book 1... *** (BOOKS 1 - 3 ARE AVAILABLE IN PAPERBACK AS A COMBINED SET AT A DISCOUNTED PRICE!)*** "I stared in horror at what confronted me. The likeness was uncanny. It had the same long, brown hair and hazel eyes as my own, but the ghoulish grin was hideous. Numb with shock, I stood there, my mind reeling with confusion and panic. It took every last reserve of self-control, to contain the frightened screams that I felt bubbling inside. My mouth agape, I could not take my eyes from the ugly figure that had been shoved into the back of my locker..." This extract begins the story of "Julia Jones - The Teenage Years". Delightful, cathartic, devious, and terrifically entertaining. The New York Times Timely, whip-smart, and darkly funny. People (Book of the Week) A deliciously dark fable of sex and power. Esquire A provocative, razor-sharp, and timely debut novel about a beloved English professor facing a slew of accusations against her professor husband by former students—a situation that becomes more complicated when she herself develops an obsession of her own... When I was a child, I loved old men, and I could tell that they also loved me. And so we are introduced to our deliciously incisive narrator: a popular English professor whose charismatic husband at the same small liberal arts college is under investigation for his inappropriate relationships with his former students. The couple have long had a mutual understanding when it comes to their extra-marital pursuits, but with these new allegations, life has become far less comfortable for them both. And when our narrator becomes increasingly infatuated with Vladimir, a celebrated, married young novelist who's just arrived on campus, their tinder box world comes dangerously close to exploding. With this bold, edgy, and uncommonly assured debut, author Julia May Jonas takes us into charged territory, where the boundaries of morality bump up against the impulses of the human heart. Propulsive, darkly funny, and wildly entertaining, Vladimir perfectly captures the personal and political minefield of our current moment, exposing the nuances and the grey area between power and desire.
