Married Love Or Love In

---

Married Love or Love in Marriage is a book by British academic Marie Stopes. It was one of the first books openly to discuss birth control. The book begins by stating that "More than ever to-day are happy homes needed. It is my hope that this book may serve the State by adding to their number. Its object is to increase the joys of marriage, and to show how much sorrow may be avoided". The preface states that a book geared to teaching married couples how to have a happy marriage, including "great

Married Love, or Love in Marriage

Married love is powerfully embodied in the spouses' sexual relationship, when they most fully express what it means to become "one body" (Gn 2:24) or "one flesh" (Mk 10:8, Mt 19:6). The Church teaches that the sexual union of husband and wife is meant to express the full meaning of love, its power to bind a
