Article updated 03/16/2020 TestFlight is a free solution provided by Apple to test an iOS app before it is released on the App Store. It's an alternative you may consider if testing your app with the Ad Hoc version or with My GoodBarber App is not an option for the project you're working on. From what I saw so far, TestFlight can be useful for some resellers when making iOS apps for clients.

hundreds of the nation's key social, political, cultural and sporting events. As a compendium of all aspects of Malaysian life, the book captures the mood of the day with a sense of vividness and immediacy. Concise, accessible articles—revised and rewritten to engage today's readers—are introduced by headlines and liberally illustrated with photographs and specially commissioned cartoons. The book is structured chronologically, with an average of eight pages devoted to each year beginning with a succinct summary of the year's key events. A host of themes are covered: not just the
