Napoleon Soldier Of Destiny

This volume is an even, balanced, and accurate biography of Napoleon, the first volume in a two-volume study that presents Napoleon the man, not merely Napoleon the soldier and general, the statesman, and head of state.

Napoleon: soldier of destiny. Napoleon had little affection for the Catholic Church, but, as Michael Broers points out, he " realised how central to French culture Catholicism remained ", so in ...

Napoleon: soldier of destiny - The Tablet
Michael Broers, Napoleon, Soldier of Destiny © Faber&Faber, 2014. This is volume one of Michael Broers' biography of Napoleon. Yes, it 's Napoleon 's life story. But there are some striking new takes which make it a fascinating read. One that spoke to me was Broers' insistence on the Corsican childhood. The Oxford academic 's distinction between Corsicans of the interior and the Corsican coastlanders (aptly set against the image of the Anglo-Irish of the Pale and the Irish of the ...

Napoleon: Soldier of Destiny by Michael Broers (Paperback ...
Napoleon, Vol I, Soldier of Destiny, 1769-1805 (Faber & Faber, London, 2014) xviii + 585; Europe Under Napoleon, 1799-1815 (London and New York, 1996) Europe After Napoleon, 1814-1848. Revolution, reaction and romanticism (Manchester, 1996) Napoleonic Imperialism and the Savoyard Monarchy, 1776-1821. State building in Piedmont (Lampeter, 1997)

Napoleon Bonaparte: a man of intense emotion, iron self-discipline, acute intelligence and immeasurable energy. Michael Broers brings this remarkable man to life, from his dangerous Corsican roots to the epic battles of Austerlitz, Jena and Friedland. Here is the incredible story of how one man's sheer determination, ruthlessness and careful calculation drove France to conquer Europe. This is the first volume of a revelatory new biography of the great ruler told with energy, style and brand new research. Here is the first life in which Napoleon speaks in his own uncensored voice - but not always as he wanted the world to hear him.

Written with great energy and authority—and using the newly available personal archives of Napoleon himself—the first volume of a majestic two-part biography of the great French emperor and conqueror. All previous lives of Napoleon have relied more on the memoirs of others than on his own uncensored words. This is the first life of Napoleon, in any language, that makes full use of his newly released personal correspondence compiled by the Napol é on Foundation in Paris. All previous lives of Napoleon have relied more on the memoirs of others than on his own uncensored words. Michael Broers' biography draws on the thoughts of Napoleon himself as his incomparable life unfolded. It reveals a man of intense emotion, but also of iron self-discipline; of acute intelligence and immeasurable energy. Tracing his life from its dangerous Corsican roots, through his rejection of his early identity, and the dangerous military encounters of his early career, it tells the story of the sheer determination, ruthlessness, and careful calculation that won him the precarious mastery of Europe by 1807. After the epic battles of Austerlitz, Jena and Friedland, France was the dominant land power on the continent. Here is the first biography of Napoleon in which this brilliant, violent leader is evoked to give the reader a full, dramatic, and all-encompassing portrait.

Written with great energy and authority—and using the newly available personal archives of Napoleon himself—the first volume of a majestic two-part biography of the great French emperor and conqueror.

This is the first life of Napoleon, in any language, that makes full use of the new version of his Correspondence compiled by the Fondation Napolon in Paris to replace the sanitized compilation made under the Second French Empire as a propaganda exercise by his nephew, Napoleon III. All previous lives of Napoleon have relied more on the memoirs of others than on his own uncensored words. Michael Broers' biography draws on the thoughts of Napoleon himself as his incomparable life unfolded. It reveals a man of intense emotion, but also of iron self-discipline; of acute intelligence and immeasurable energy. Tracing his life from its dangerous Corsican roots, through his rejection of his early identity, and the dangerous military encounters of his early career, it tells the story of the sheer determination, ruthlessness and careful calculation that won him the precarious mastery of Europe by 1807. After the epic battles of Austerlitz, Jena and Friedland, France was the dominant land power on the continent. Here is the first life in which Napoleon speaks in his own voice, but not always as he wanted the world to hear him.

Like volume one of Michael Broers' s magnificent biography, The Spirit of the Age is based on the new version of Napoleon ' s correspondence, made available by the Fondation Napol é on in Paris. It is the story of Napoleon ' s conquest of Europe—and that of his magnificent Grande Arm é e—as they sweep through the length and breadth of Europe. This narrative opens with Napoleon ' s as yet untested army making its way through the Bavarian Alps in the early winter of 1805 to fall upon the unsuspecting Austrians and Russians at Austerlitz. This was only the beginning of a series of spectacular victories over the Prussians and Russians over the next two years. The chronicle then follows the army into Spain, in 1808, the most ill-considered step in Napoleon ' s career as ruler, and then through the most daunting triumph of all, the final defeat of Austria at Wagram, in 1809, the bloodiest battle in European history up to that time.

This book deals with the life of Napoleon, that makes full use of the new version of his Correspondence compiled by the Fondation Napoleon in Paris to replace the sanitized compilation made under the Second French Empire as a propaganda exercise by his nephew, Napoleon III. This book draws on the thoughts of Napoleon himself as his life unfolded.

Napoleon Bonaparte dominated the public life of Europe like no other individual before him. Not surprisingly, the story of the man himself has usually swamped he stories of his subjects. This book looks at the history of the Napoleonic Empire from an entirely new perspective – that of the ruled rather than the ruler. Michael Broers concentrates on the experience of the people of Europe – particularly the vast majority of Napoleon's subjects who were neither French nor willing participants in the great events of the period – during the dynamic but short-lived career of Napoleon, when half of the European content fell under his rule.
The wars of Napoleon are among the best-known and most exciting episodes in world history. Less well known is the uproar the armies stirred up in their path, and even more, the chaos they left in their wake. The 'knock-on effect' of Napoleon's sweep across Europe went further than is often remembered: his invasion of Spain triggered the collapse of the Spanish Empire in Latin America, and his meddling in the Balkans destabilised the Ottomans. Many places had been riven with banditry and popular tumult from time immemorial, characteristics which worsened in the havoc wrought by the wars. Other areas had known relative calm before the arrival of the French in 1792, but even the most pacific societies were disrupted by these conflagrations. Behind the battle fronts ragged other conflicts, 'little wars' - the guerrilla (the term was born in these years) - and bigger ones, where whole provinces rose up in arms. Bandits often stood at the centre of these 'dirty wars' of ambushes, night raids, living hard in tough terrain, of plunder, rapine and early, violent death, which spread across the whole western world from Constantinople to Chile. Everywhere, they threw up unlikely characters - ordinary men who emerged as leaders, bandits who became presidents, priests who became warriors, lawyers who became murdering criminals. In studying these varying fortunes, Michael Broers provides an insight into a lost world of peasant life, a world Napoleon did so much to sweep away.

NEW YORK TIMES BESTSELLER One of The Wall Street Journal 's Ten Best Books of 2018 One of The Economist 's Best Books of 2018 One of The New York Times 's Notable Books of 2018 " Unarguably the best single-volume biography of Churchill . . . A brilliant feat of storytelling, monumental in scope, yet put together with tenderness for a man who had always believed that he would be Britain 's savior. " —Wall Street Journal In this landmark biography of Winston Churchill based on extensive new material, the true genius of the man, statesman and leader can finally be fully seen and understood—by the bestselling, award-winning author of Napoleon and The Last King of America. When we seek an example of great leaders with unalloyed courage, the person who comes to mind is Winston Churchill: the iconic, visionary war leader immune from the consensus of the day, who stood firmly for his beliefs when everyone doubted him. But how did young Winston become Churchill? What gave him the strength to take on the superior force of Nazi Germany when bombs rained on London and so many others had caved? In Churchill, Andrew Roberts gives readers the full and definitive Winston Churchill, from birth to lasting legacy, as personally revealing as it is compulsively readable. Roberts gained exclusive access to extensive new material: transcripts of War Cabinet meetings, diaries, letters and unpublished memoirs from Churchill's contemporaries. The Royal Family permitted Roberts—in a first for a Churchill biographer—to read the detailed notes taken by King George VI in his diary after his weekly meetings with Churchill during World War II. This treasure trove of access allows Roberts to understand the man in revelatory new ways, and to identify the hidden forces fueling Churchill's legendary drive. We think of Churchill as a hero who saved civilization from the evils of Nazism and warned of the grave crimes of Soviet communism, but Roberts's masterwork reveals that he has as much to teach us about the challenges leaders face today—and the fundamental values of courage, tenacity, leadership and moral conviction.
