[Sadamoto's Evangelion vol 11. Story gets more wtf as you read - Kaworu is revealed to be the last angel, Shinji must decided whether to fight him or not. Admittedly, Sadamoto's art isn't as good as his first volumes of Evangelion, but it doesn't distract from enjoying the manga. Cool little sci-fi story, highly recommended read.](#)

Shinji is unwittingly brought into his parents' scientific research at NERV headquarters when he attempts to rescue schoolmate Rei, uncovering secrets about Rei's relationship with NERV.

In 2015, the "Angels" have returned, and Shinji Ikari, a fourteen year-old child of the new Earth, is forced by his father Gendo--commander of the secret organization NERV--to pilot the monstrous biomechanical weapon called "Evangelion" to match the Angels' fearsome power... Once Shinji didn't care about anything; then he found people to fight for--only to learn that he couldn't protect them, or keep those he let into his heart from going away. As mankind tilts on the brink of the Third Impact, human feelings are fault lines; good, for cracking the world open, or bad, to be welded forever shut. Kaworu, the Angel of Free Will, now offers Shinji his own two choices--but what if neither is the right one...? Japan's most controversial anime series is over...but not the manga version of Neon Genesis Evangelion! Series co-creator Yoshiyuki Sadamoto's personal interpretation of the Evangelion characters and story is sure to intrigue new and old fans alike. The most famous anime/manga franchise of the last 20 years, Neon Genesis Evangelion has aired in the US on Adult Swim. Of all the unbelievable things that have happened in The Shinji Ikari Raising Project, perhaps the most shocking is that Yui has finally managed to dig Kyoko out from her laboratory to join the crew on a forest retreat! Asuka and Shinji are bound to get close by accident, but wait — are they actually getting closer? Then it's back to target training for the students but this time the arena is their school, and the targets are shooting back!

As a disembodied Shinji drifts in visions, merged with the esoteric fluids of the Evangelion, his father's long-serving lieutenant, Fuyutsuki, is kidnapped for interrogation by SEELE--in German, the "Soul"--the council of superiors whom NERV has been double-crossing for some time now... Eva Vol. 8 contains a Japanese sound FX glossary plus a special bonus guide to help U.S. fans discover the best of the many import books available on Evangelion! -- VIZ Media
