Overruled is book one in Emma Chase's new Legal Briefs series. Funny, witty, sexy, this one had it all. I loved how the story started out in the past and moved forward with the main character. I also loved that it was written in dual p.o.v., because Emma Chase writes the male perspective perfectly.

Review: The Legal Briefs #1: Overruled Overruled by Emma Chase is the first book in her new Legal Briefs series. A beautifully twisted tale of first love, friends, family, and overlooked opportunities. At first I was excited to read this book - Emma Chase is a go-to author for me. I enjoyed the snark of Drew and gang and wanted more.

Overruled is book 1 in The Legal Briefs series. I knew I had to try this series after seeing such good reviews for it. So when Audible had a 2 for 1 credit sale going on and these were on there, I grabbed them as fast as I could. While starting out in DC we head to a small town for a good chunk of the story, and I love novels that have that vibe.

"Any ballot received after 8 p.m. [on Nov. 3] is an illegal ballot" in Pennsylvania, according to law passed by the state Legislature, the attorney general from Louisiana said.

A Washington, DC, defence attorney, Stanton Shaw keeps his head cool, his questions sharp, and his arguments irrefutable. They don't call him the Jury Charmer for nothing. Men want to be him, and women want to be thoroughly cross examined by him. Stanton's a man with a plan. And for a while, life was going according to that plan. Until the day he receives an invitation to the wedding of his high school sweetheart, the mother of his beloved ten-year-old daughter. Jenny is getting married—to someone who isn't him. Sofia Santos is a city-raised, no-nonsense litigator who plans to become the most revered criminal defence attorney in the country. She doesn't have time for relationships or distractions. But when Stanton, her "friend with mind-blowing benefits," begs her for help, she finds herself out of her element, out of her depth, and obviously out of her mind. Because she agrees to go with him to The-Middle-Of-Nowhere, Mississippi, to do all she can to help Stanton win back the woman he loves. Her head tells her she's crazy...and her heart says something else entirely. What happens when you mix a one-stop-light town, two professional arguers, a homecoming queen, four big brothers, some Jimmy Dean sausage, and a gun-toting Nana?

Emma Chase, New York Times bestselling author of the Tangled series, returns with a funny, romantic, sexy story! A knight in tarnished armor is still a knight. When you're a defense attorney in Washington, DC, you see firsthand how hard life can be, and that sometimes the only way to survive is to be harder. I, Jake Becker, have a reputation for being cold, callous, and intimidating—and that suits me just fine. In fact, it's necessary when I'm breaking down a witness on the stand. Complications don't work for me—I'm a "need-to-know" type of man. If you're my client, tell me the basic facts. If you're my date, stick to what will turn you on. I'm not a therapist or Prince Charming—and I don't pretend to be. Then Chelsea McQuaid and her six orphaned nieces and nephews came along and complicated the ever-loving hell out of my life. Now I'm going to Mommy and Me classes, One Direction concerts, the emergency room, and arguing cases in the principal's office. Chelsea's too sweet, too innocent, and too gorgeous for her own good. She tries to be tough, but she's not. She needs someone to help her, defend her...and the kids. And that—that, I know how to do.

The New York Times bestselling author of the Tangled books returns with the third standalone romance in the Legal Briefs series, a collection of sexy novels about first crushes, second chances, and the final verdict of the heart. When Brent Mason looks at Kennedy Randolph, he doesn't see the awkward, sweet girl who grew up next door. He sees a self-assured, stunning woman...who wants to crush the most intimate—and prized—parts of his anatomy beneath the heels of her Louboutins. When Kennedy looks at Brent, all she sees is the selfish, Abercrombie & Fitch catalogue-worthy teenager who humiliated her in high school in order to join the popular crowd. A crowd that made those years a living hell for her. But she's not a lovesick social outcast anymore—she's a Washington, DC, prosecutor with a long winning streak. Brent is the opposing attorney in her next case, and Kennedy thinks it's time to put him through a little hell of his own. But things aren't exactly working out the way she planned. Brent has his sights set on Kennedy, and every fiery exchange only makes him want her more—and makes her wonder if he's as passionate in the bedroom as he is in the courtroom. In the end, they may just find themselves in love...or in contempt of court.

There was a time when Jake Becker had it all together. He was controlled, driven, ruthless--in and out of the courtroom. Then, six irresistible orphans and their heartbreakingly beautiful aunt crashed into his perfectly ordered life. They changed everything. They changed him. Now he's a husband, an upstanding member of society, a father figure--a family man. And he's pretty damn good at it. Sure, he has to referee sibling smackdowns, re-learn algebra, ensure his clients stay of jail, and keep his wife happy--but it finally feels like he's got it together again....So, of course something has to screw it all up.It's huge. Life-changing. Kind of terrifying.And it will be the most amazing, perfect thing he'll ever do. Join Jake & Chelsea, Stanton & Sofia, Brent & Kennedy as they navigate the hilarious and heartwarming hurdles of love, life and the law in this final addition to the Legal Briefs Series

"In this third book by NYT bestseller Emma Chase, Matthew Fisher --the best friend of Drew Evans from TANGLED and TWISTED -- wants to settle down, but he'll have to overcome the mistrust of the colorful and unique Dee Dee Warren"--

A sexy, hilarious, emotional, new romance from New York Times bestselling author Emma Chase. Connor Daniels never thought he'd be starting over at dating square one. His career as a successful doctor, and his three boys, are everything to him. It's not exactly a set-up conducive to a scorching love life—but he's giving it a shot. ER nurse Violet Robinson never intended for Connor to find out she's had a crush on him forever. It was a dirty little secret only meant for her dirty dreams. Her heart trips every time he's around—and so do her feet. When Connor sees Violet coasting across the grocery store parking lot—and she falls on her face—he starts falling for the gorgeous, young nurse right back. Dating can be tricky. And life can be beautiful and crazy and unpredictable. But when it gets real, you discover what matters most . . . and the one person you want loving you through it all.

Head of the class... Garrett Daniels has this whole life thing figured out. The cocky, charismatic former high school star quarterback is an idolized football coach and "cool" teacher in the hometown where he's not just a golden boy — he's platinum. He has good friends, a great house on the lake, and the best damn sidekick a man could ask for: Snoopy, the albino beagle. Then...Callie Carpenter comes home. And knocks him right on his tight end zone. Back to school... Callie has a pretty sweet life herself...on the other side of the country. But circumstances — that she'd prefer to never speak of again — have brought her back home, helping out her parents and substitute teaching at her old high school. Now she's facing bickering, raging hormones, constant gossip, awkward weirdness, and drama galore...and that's just the teachers. Just like old times... When Garrett offers to show his former high school sweetheart the secrets of his winning teacher ways, Callie jumps at the chance - and then has to stop herself from jumping him. Good friends are all they can ever be. Or...these teachers just might end up getting schooled — by love.
