appealing varieties, are inextricably connected to Italian identity. These familiar foods not only represent Italy ' s culinary traditions, according to anthropologist Franco La Cecla, they have unified the Italian people and spread Italian culture worldwide. Pasta and Pizza tells the story of how cuisine born in the south of Italy during the Arab conquest became a foundation for the creation of a new nation. As La Cecla shows, this process intensified as millions of Italians immigrated to the Americas: it was abroad that pasta and pizza became synonymous with being Italian, and the foods ' popularity grew as the Italian presence expanded in American culture. More than literature, art, or even language,

The history of Italy since the mid-1950s retold through the lens of food television. In this dynamic interdisciplinary study at the intersection of food studies, media studies, and politics, Francesco Buscemi explores the central role of food in Italian culture through a political history of Italian food on national television. A highly original work of political history,

the book tells the story of Italian food television from a political point of view: from the pioneering shows developed under strict Catholic control in the 1950s and 1960s to the left-wing political twists of the 1970s, the conservative *riflusso* or resurgence of the 1980s, through the disputed Berlusconi era, and into the contemporary rise of the celebrity chef. Through this lively and engaging work, we learn that cooking spaghetti in a TV studio is a political act, and by watching it, we become citizens.

Alice Waters, whom Craig Claiborne has called “ that great American rarity, a deservedly celebrated native-born chef, ” gives us here the extraordinary pastas, pizzas, and calzones that she serves in her famous Chez Panisse restaurant in Berkley, California. Based on the freshest and best seasonal ingredients, every recipe is bursting with flavor and unexpected combinations. Inspired as much by Providence as by Italy, these recipes reveal Chez Panisse's strong Mediterranean affinities, not only in the choice of ingredients, but also in the combinations that make them so

When the pizza came and I tasted it, I saw what Alice Waters was about: the ordinary made extraordinary by the use of fine unusual ingredients—in this case girolles in a general creaminess, spiked with a little Parmesan and onion—put together by a skillful and unusual taste. ” —Jane Grigson
