Mao had purged all Communist party insiders during the infamous Cultural Revolution. When Deng took over, there was no entrenched bureaucracy of party cadres who could resist him. The market reforms imposed by Deng were only resisted by elements in the very top echelons, but the rank and file knew not to stand in the way.

Power and prosperity (2000 edition) | Open Library  
"Power and Prosperity" brings the compelling reasoning of Olson's theories of collective action forward with a lucidity and ease unmatched by any other book I have encountered. And yet he still breaks new ground; the prompting was Olson's observations of the former Soviet Russian Federation's failure to rise above anarchy and to harness the power for free markets for the good of her people.

Chinese Communist Party wraps up top policy meeting by ...

The communist leadership views that as a path to prosperity and global influence. " Science and technology should be self-reliant as a strategic support for national development, " said a party statement. It called for measures to " accelerate the building of a science and technology power " but gave no details.
