"Part love story, part supernatural thriller and completely engrossing" (People)—from the acclaimed author of You, now a hit Netflix series "A dark beauty of a book, Providence kept me up at night with characters that made my heart a little bigger."—Jessica Knoll, New York Times bestselling author of Luckiest Girl Alive Best friends in small-town New Hampshire, Jon and Chloe share an intense, near-mystical bond. But before Jon can declare his love for his soul mate, he is kidnapped, and his plans for a normal life are permanently dashed. Four years later, Jon reappears. He is different now: bigger, stronger, and with no memory of the time he was gone. Jon wants to pick up where he and Chloe left off—until the horrifying instant he realizes he possesses strange powers that pose a grave threat to everyone he cares for. Afraid of hurting Chloe, Jon runs away, embarking on a journey for answers. Meanwhile, in Providence, Rhode Island, healthy college students and townies with no connection to one another are inexplicably dropping dead. A troubled detective prone to unexplainable hunches, Charles "Eggs" DeBenedictus suspects there's a serial killer at work. But when he starts asking questions, Eggs is plunged into a shocking whodunit he never could have predicted. With an intense, mesmerizing voice, Caroline Kepnes makes keen and powerful observations about human connection and how love and identity can dangerously blur together. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE "Providence is a novel that doesn't fit into one box—it's tender and dark, eerie and cool, heartbreaking but also an affirmation of the power of love. Kepnes perfectly captures each character's struggle and pain in such a unique, unconventional way that every sentence—is a delightful surprise."—Sara Shepard, #1 New York Times bestselling author of Pretty Little Liars "Caroline Kepnes is cool right this minute. . . . [Providence is] terrifically conceived and executed. . . . Kepnes has an exhilarating, poppy, unexpected voice."—The New York Times Book Review "An addictive horror-tinged romance that'll keep you guessing."—Entertainment Weekly

From the ingenious author of Jennifer Government and Lexicon: a brilliant work of science fiction that tells the intimate tale of four people facing their most desperate hour—alone, together, at the edge of the universe. "An astonishing novel! Providence is Philip K. Dick and William Gibson fueled by pure adrenaline (with a bit of Spielberg and Ridley Scott thrown in). The brilliant, unstoppable imagination of Max Barry glows on every page of this action-filled, yet emotionally resonant, tale. It will keep you riveted from first page till last. I read in one sitting and I guarantee you'll do the same."—Jeffery Deaver The video changed everything. Before that, we could believe that we were safe. Special. Chosen. We thought the universe was a twinkling ocean of opportunity, waiting to be explored. Afterward, we knew better. Seven years after first contact, Providence Five launches. It is an enormous and deadly warship, built to protect humanity from its greatest ever threat. On board is a crew of just four—tasked with monitoring the ship and reporting the war's progress to a mesmerized global audience by way of social media. But while pursuing the enemy across space, Gilly, Talia, Anders, and Jackson confront the unthinkable: their communications are cut, their ship decreasingly trustworthy and effective. To survive, they must win a fight that is suddenly and terrifyingly real.

Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time. New from Best-Selling Author John Piper From Genesis to Revelation, the providence of God directs the entire course of redemptive history. Providence is "God's purposeful sovereignty." Its extent reaches down to the flight of electrons, up to the movements of galaxies, and into the heart of man. Its nature is wise and just and good. And its goal is the Christ-exalting glorification of God through the gladness of a redeemed people in a new world. Drawing on a lifetime of theological reflection, biblical study, and practical ministry, pastor and author John Piper leads us on a stunning tour of the sightings of God's providence—from Genesis to Revelation—to discover the all-encompassing reality of God's purposeful sovereignty over all of creation and all of history. Piper invites us to experience the profound effects of knowing the God of all-pervasive providence: the intensifying of true worship, the solidifying of embattled faith, the strengthening of wavering conviction, the toughening of joyful courage, and the advance of God's mission in this world.

Outside Providence is a hilarious yet melancholy novel of a young man's coming of age in the 1970s. When Timothy Dunphy, native of working-class Pawtucket, Rhode Island, is packed off to a fancy prep school, he finds that the privileged elite is hardly immune to life's screwups. Dunphy must reconcile his pedigreed schoolmates with his mongrel friends back home—including Drugs Delaney, whose diet consists mainly of vitamin Qs (Quaaludes), and Bunny Cote, who thinks New England is a state. Not far below Dunphy's comic demeanor churn powerful fears of abandonment by those he loves best: his mother, his girlfriend, and his closest friend. And he must come to terms with his complex relationship with the person he hates most, his father. As he struggles to live with the paradox of somehow loving the same man he blames for his family's tragedies, Dunphy begins to understand and accept life's betrayals, and learns how to trust in love.

Soon after the American Revolution, ertain of the founders began to recognize the strategic significance of Asia and the Pacific and the vast material and cultural resources at stake there. Over the coming generations, the United States continued to ask how best to expand trade with the region and whether to partner with China, at the center of the continent, or Japan, looking toward the Pacific. Where should the United States draw its defensive line, and how should it export democratic principles? In a history that spans the eighteenth century to the present, Michael J. Green follows the development of U.S. strategic thinking toward East Asia, identifying recurring themes in American statecraft that reflect the nation's political philosophy and material realities. Drawing on archives, interviews, and his own experience in the Pentagon and White House, Green finds one overarching concern driving U.S. policy toward East Asia: a fear that a rival power might use the Pacific to isolate and threaten the United States and prevent the ocean from becoming a conduit for the westward free flow of trade, values, and forward defense. By More Than Providence works through these problems from the perspective of history's major strategists and statesmen, from Thomas Jefferson to Alfred Thayer Mahan and Henry Kissinger. It records the fate of their ideas as they collided with the realities of the Far East and adds clarity to America's stakes in the region, especially when compared with those of Europe and the Middle East.

Finally, the complete Alan Moore masterpiece in one480 page tome - the PROVIDENCE COMPENDIUM! Providence is Alan Moore'squintessential horror series! In it, he weaves and reinvents the works of H.P.Lovecraft through historical events. It is both a sequel and prequel toNeonomicon. The PROVIDENCE COMPENDIUM is the complete series, all twelveissues by Alan Moore and Jacen Burrows, in one 480 pagevolume.

In the old world shadows of Providence, Rhode Island, Nina Grey finds herself the center of a war between Hell and Earth. Struggling with her father's recent death, Nina meets Jared Ryel by chance...or so she believes. Although his stunning good looks and mysterious talents are a welcome distraction, it soon becomes clear that Jared knows more about Nina than even her friends at Brown University. When questions outnumber answers, Jared risks everything to keep the woman he was born to save—by sharing the secret he was sworn to protect. When her father's former associates begin following her in the dark, Nina learns that her father is not the man she thought he was, but a thief who stole from demons. Searching for the truth behind her father's death, Nina stumbles upon something she never expected—something Hell wants—and only she holds the key.

The authoritative account of one city s dramatic rebirth."
