Red Hood and the Outlaws battle such villains as Crux and the Untitled, an ancient and evil mystical race.

They began as outcasts; they became Outlaws. Over the last few years, Red Hood, Arsenal, and Starfire have survived encounters with all types of evil, forging bonds that have held them together as a team, and as friends. But even the strongest of friendships is susceptible to the reopening of old wounds, and a secret from the past is about to tear this trio apart. The team encounters a spaceship broadcasting a message for Princess Koriand'r, known to Earthlings as Starfire. What she finds within the vessel stirs up memories of a time before she came to this planet, a time when she traversed the stars freeing those enslaved as she once was. What she finds is the horror of all those attempts at fighting oppression turned to cinder. And what she finds within herself is a burning rage long suppressed, a fire that can no longer be contained. The dynamics between this team of antiheroes is forever altered as writer SCOTT LOBDELL (TEEN TITANS) and artist RB SILVA (SUPERBOY) -- with additional art from TOM DERENICK, CORY SMITH, and RAFA SANDOVAL -- bring you RED HOOD AND THE OUTLAWS: LOST AND FOUND! Now the Outlaws will have to battle reanimated warriors, genetically enhanced xenophobes and unkillable assassins in order to make sense of the battle they've found themselves in"--P. [4] of cover v. 1.

A warrior princess. A weapons master. A resurrected Robin. Starfire, Arsenal, and Red Hood – the Outlaws – have come by their heroism the hard way. They've been beaten down, cast out, even killed. That's what makes some of the most powerful criminals in the world, even the universe, underestimate them. And that's a big mistake. The terrorist mastermind called Ra's al Ghul, whose endless life has long been intertwined with the Red Hood's, is gunning for the power of a god. A secretive crimelord who built his enormous fortune by slaughtering wealthy families down to the last heir is preparing an ambush. And in the deeps of space, an indescribably deadly warlord is testing a weapon that could destroy all life on earth with a touch of a button. This madman — this Main Man — is known simply as Lobo. But to Red Hood and the Outlaws, he's just the next challenge to take down...or die trying...
