Innovation in technology means that almost anyone can make an independent film these days. Although this may be good news for aspiring filmmakers, it also means that the oversupply of independent films on the market has caused acquisition prices to dramatically decrease. As a result, producers and investors rarely recover their initial investment in the films they make. But don't be discouraged! Use this book to learn the realities of the market in advance and map out a winning distribution plan. This comprehensive manual for filmmakers and producers dedicated to film distribution and the marketplace could mean the difference between getting your film out to the public and keeping it "in the can." Learn how to sell your movie to a studio, a cable network, a video distributor, or international buyers. Self-distribution and other alternatives to traditional distribution are also considered. As well, you'll hear some success stories from producers and hear directly from buyers what they are seeking. Stacey Parks has worked with dozens of hungry filmmakers to get their films a distribution deal and knows how frustrating the whole process can be. Let her tell you how you can take control of your filmmaking career and start getting your work seen by audiences with a few little-known distribution secrets. Features include: * Interviews and case studies with producers and distributors * Ten Ways to Market Your Film for Self-Distribution * Sales Projections per Territory * Distribution Resource Listings * Negotiation tips for distribution agreements * Sample distribution agreements

How much do you pay for your auto insurance? If you are reading this, the answer is most likely [\[too much\]!](#) You are looking for information that will help you save your hard-earned dollars, and you have found it. Ten Questions has been completely updated, revised, and expanded for 2012. It has also been reformatted for the Kindle at last, and the most effective way to use the guide is to own both the ebook and paperback versions. Ten Questions is not a book for "dummies," but it is an easy to use, half-hour read, specifically designed to help save you money. It is a comprehensive and detailed explanation of the underwriting process involved in determining the amount of premium you pay. The facts and clear examples included in the guide are based on my years of experience as a top-rated Sales Agent, and the thousands of auto insurance policies I personally have sold. Chapter One, [\[Risk\]](#) will help you understand what factors are used to determine your rating [\[tier\]](#), and how to improve them. The amount of premium you pay is determined by the amount of [\[risk\]](#) you are seen to represent. Much of that determination is made through your answers to a series of questions you will be asked, either online, or in person by an agent. These are the [\[Ten Questions\]](#) referred to in the title. Chapter Two, [\[Discounts\]](#) contains a detailed description of nearly every available auto insurance discount, and how to obtain them. A single 5% discount that you have been missing each policy term is costing you far more than this guide will. You will also gain the knowledge that you will need to progressively lower your rates over time. Chapter Three, [\[Coverages\]](#) is a comprehensive explanation of nearly every available auto insurance coverage, including what each one does, (and does not do) for you, and how to determine the proper balance of cost versus benefit when choosing them. When you finish reading it, you will know more about auto insurance than most agents do. Ten Questions isn't about getting the cheapest policy at the cheapest price: It's about getting the best policy at the best price. Chapter Four, [\[Sample Quote Process\]](#) is your ultimate weapon in getting your new policy, because it details an actual phone quote in real time, along with the [correct](#) answers to the [Ten Questions](#). Knowledge is power, and this guide is a very powerful tool that you will be able to use as long as you are driving and insuring vehicles. Advanced Topics is new for 2012, and this section includes [\[Youthful Driver Strategies\]](#), and [\[State Specific Information\]](#), such as a layman's explanation of so-called [\[No-Fault\]](#) coverages, and [\[Full\]](#) versus [\[Limited\]](#) Tort. The Appendix contains all the technical terms that are used in the guide, to help you understand the "trade talk" in the auto insurance industry. This guide will save you money in several ways, including: It will help you find and qualify for discounts. It will show you how to improve your rating tier, and lower your [\[base rate\]](#). It will help you allocate your premium dollars more effectively, so that you get the best coverage at the best price. Find out what the insurance companies don't want you to know, like the fact that you can switch carriers any time you want, as often as you want. You do not have to wait until your current policy renews in order to do so. Learn the answers to the Ten Questions today, and get a better policy for less money, tomorrow.

As the baby-boomer generation ages, nursing home care is likely to become a major social problem. New residents will put huge strains on already short staffing at a time when funding to government-assisted homes (75 percent of all nursing homes) is lower than ever.Based on her ten years of experience working as a Licensed Practical Nurse in many care facilities, attorney Donna M. Fathers are an eternal mystery to their daughters. Author and researcher Victoria Secunda wrote, "Fathers were on some level an eternal question mark," and Psychologist Dr. Bob Schacht believes that most people never achieve an eye-to-eye-relationship with their fathers. Whether your father was nurturing, self-involved or uninvolved, getting a handle on his strengths and vulnerabilities will give you a more balanced perspective and help you resolve longstanding issues. Decoding your Dad will help you move forward with Your life and stop ending up with another guy who's a psychological duplicate of your father. Decoding your Dad is not just a book for daughters! Author Meg Meeker, addressing the father, says: "You are her first love Every relationship she has with a man will be filtered through her relationship with you." If you're a father, understanding what makes your daughter tick can help you raise a stronger more successful daughter and strengthen the relationship the two of you share. As a revolutionary tool for both daughters and fathers, Decoding Your Dad is a fascinating, thought-provoking handbook guaranteed to enhance the most seminal relationship of a daughter's-and a father's-life.
