20 Books That Will Make You a Better Coach or Mentor

Coaching is increasingly recognized as an important aspect of leadership and development. In this book summary of "The Coaching Habit", we outline the 7 key questions that capture the fundamentals of coaching.

Book Summary – The Coaching Habit: Say Less, Ask More ...

Packed with stunning visuals, the book provides over 25 movement sequences that outline different types of coaching cues, including a visual depiction of unique analogies, such as a sprinter taking off like a jet or an athlete loading into a jump like a spring.

You have the power to accomplish goals, create an impact, and live the life you want. The key to achieving what you set out for--in business and in life--doesn't lie in perfectly executed strategy. The greatest tool you have is your own mindset—it determines your ability to adapt and persevere. And, like any other tool, you can employ it to your advantage. While most aspiring entrepreneurs think the next business strategy will manifest the life they desire, successful entrepreneurs know it's the emotional and mental "shifts" that will bring you closer to your goals. No one is better equipped to explore these shifts than Ajit Nawalkha, cofounder of Mindvalley and one of the world's leading entrepreneurs and business coaches. In Live Big: A Guide to Passion, Practicality, and Purpose, Nawalkha shares 25 shifts—changes in your mental, physical, emotional, or even spiritual state—that will propel you on your road to success. Through Nawalkha's expertise, discover how this book will: • Bring you out of any funk or stagnant revenue cycle • Give you the emotional, spiritual, and mental power to fight the ups and downs of business • Show you ways to deal with everyday challenges, find comfort in them, and get past them in 20 minutes or less • Help you cope with ' entrepreneurial anxiety' and find purpose, passion, and bliss in your business Live Big is the go-to guide for business owners and entrepreneurs who want to be in a state of flow and creativity, to ensure your passion is backed by purpose and practicality. With principles and foundational thinking habits that allow you to move from a place of defeat and anxiety to one of joy and contribution to humanity, this book will serve as a compass that you can pick up and find direction to keep moving forward in today's world of entrepreneurship.

One of the most difficult things to do as a manager is spotting raw talent and then devoting the time and energy to shape and mold that employee toward achieving growth and excellence. The Everything Coaching and Mentoring Book, 2nd Edition guides managers and aspiring managers through implementing a successful coaching and mentoring program both in the workplace and in life. From delegating responsibility to expanding knowledge base and skill level, The Everything Coaching and Mentoring Book, 2nd Edition gives you completely updated information on this new approach. This indispensable guide features information on: Inspiring self-motivation Coaching versus mentoring Overcoming common workplace problems Managing diversity Debunking common myths and mis-conceptions The Everything Coaching and Mentoring Book, 2nd Edition even takes readers beyond the workplace and provides insight into extending their newfound knowledge in all areas of life - including at home and in social settings.

This is the definitive manual for coaching America's fastest-growing sport for kids aged 8-19. Written for both beginning and seasoned coaches, The Complete Book of Coaching Youth Soccer shows you--in concise, easy-to-understand terms--how to organize, motivate, and lead your youth soccer team to success on the field. Included are: Step-by-step teaching points Rules and strategies of the game More than 100 illustrative diagrams More than 75 practice and competitive drills Complete 10-week season plans for each of three separate age groups Designed for easy, on-the-field reference, author Simon Whitehead's proven practice drills are designed progressively to develop maximum skills for both individual and team play. Simon Whitehead lives in Minneapolis and has coached high school and college soccer in England and in the United States for more than ten years. Using proven European teaching methods, he shows the soccer coach how to maximize each young player's enthusiasm, involvement, and personal success in soccer.

Are the people who report to you giving you their best? Is each individual on your team performing to his or her fullest potential? For more than thirty years, renowned business consultant and bestselling author Ken Blanchard and legendary NFL coach Don Shula have motivated teams to peak performances. In their classic, authoritative work on coaching, Everyone's a Coach, they distilled their rich collective experience down to its key elements and shared their secrets for inspiring others to greatness. Now, by popular demand, Blanchard and Shula have created The Little Book of Coaching, capturing the essence of their classic in this indispensable motivational gem--a gift to their readers and fans. At the heart of this book is a simple acronym that describes the qualities of an effective leader: Conviction-driven--Never compromise your beliefs Overlearning--Practice until it's perfect Audible-ready--Know when to change Consistency--Respond predictably to performance Honesty-based--Walk your talk Using a highly effective "tag-team" approach, Blanchard and Shula impart the five leadership secrets behind this acronym. Shula tells you how each coaching concept worked on the field, and then Blanchard explains how you can apply each strategy in a leadership situation. Instructive and inspirational, The Little Book of Coaching is the essential handbook that will teach you how to unleash excellence in anyone.

Current research indicates that approximately 70% of all organizational change initiatives fail. This includes mergers and acquisitions, introductions of new technologies, and changes in business processes. Leadership is critical in initiating, driving and sustaining change to produce business results, and executive coaching is the best way to support leaders at all levels. Coaching for Change introduces a model for executive coaching that provides the tools and resources to support leaders in driving organization change. In this book, a number of coaching and change models are explored with the goal of integrating them into a framework that can be applied to the individual, team or organization. Bennett and Bush explain the theories behind both coaching and change, and include practical sections on developing coaching skills. A companion website supports this book as a learning tool, featuring a curriculum, instructor guides, powerpoint presentations and more. Coaching for Change is a valuable book for students in coaching, change management or organizational development courses, as well as professionals who want to develop their skills to drive successful change within their organizations.

What if the emotions of your past experiences continued to secretly control your life today? What if these residual, inner blockages prevented you from truly connecting with, trusting and working with others? What if your life was a continuous loop of the same story being retold with slightly different characters and settings no matter where you are and which people you choose to have relationships with? So many of us have been wounded with emotional pain at some point in our lives and are still carrying this emotional stress with us. It not only affects your emotional strength and intelligence, which influences your ability to make clear, conscientious decisions, but can prevent you from your optimal potential in achieving success, happiness and fulfillment. To define the new era of leadership in your own lives, it's time challenge your thinking. Emotional GRIT establishes a new model of human leadership within and beyond the workforce - to build a more heart-centered, compassionate environment in companies, communities, schools and families - so that you can master your inner-strength and positively impact the world around you. What causes someone's actual transformation, why is it we hide behind our "masks", and what does that say about your current leadership. To achieve authentic happiness we must first uncover what stories are playing themselves out in our lives. How can you shift your own lives as a result once you become more self-aware and practice more compassion and empathy within your own lives to create ripple effects in your world as a result? The process is simple and designed to give you a powerful framework to GROW, REVEAL, INNOVATE and finally TRANSFORM your life and become the compassionate leader you and the world desperately needs, one with true Emotional GRIT.

Coaching is an essential skill for leaders. But for most busy, overworked managers, coaching employees is done badly, or not at all. They're just too busy, and it's too hard to change. But what if managers could coach their people in 10 minutes or less? In Michael Bungay Stanier's The Coaching Habit, coaching becomes a regular, informal part of your day so managers and their teams can work less hard and have more impact. Coaching is an art and it's far easier said than done. It takes courage to ask a question rather than offer up advice, provide an answer, or unleash a solution. Giving another person the opportunity to find their own way, make their own mistakes, and create their own wisdom is both brave and vulnerable. It can also mean unlearning our "fix it" habits. In this practical and inspiring book, Michael shares seven transformative questions that can make a difference in how we lead and support. And, he guides us through the tricky part - how to take this new information and turn it into habits and a daily practice. - Brené Brown, author of Rising Strong and Daring Greatly Drawing on years of experience training more than 10,000 busy managers from around the globe in practical, everyday coaching skills, Bungay Stanier reveals how to unlock your peoples' potential. He unpacks seven essential coaching questions to demonstrate how--by saying less and asking more--you can develop coaching methods that produce great results. - Get straight to the point in any conversation with The Kickstart Question - Stay on track during any interaction with The AWE Question - Save hours of time for yourself with The Lazy Question, and hours of time for others with The Strategic Question - Get to the heart of any interpersonal or external challenge with The Focus Question and The Foundation Question - Finally, ensure others find your coaching as beneficial as you do with The Learning Question A fresh, innovative take on the traditional how-to manual, the book combines insider information with research based in neuroscience and behavioural economics, together with interactive training tools to turn practical advice into practiced habits. Dynamic question-and-answer sections help identify old habits and kick-start new behaviour, making sure you get the most out of all seven chapters. Witty and conversational, The Coaching Habit takes your work--and your workplace--from good to great.

The fun and effective way to BOOST ENGAGEMENT and PRODUCTIVITY Teams that enjoy working together operate on a whole different energy level than teams that don't. They break down silos. They build stronger relationships. They retain what they have learned. And THEY DRIVE RESULTS. The Big Book of Team Coaching Games provides the structure and games you need to build and manage powerful teams. Packed with dozens of physical and verbal activities, it leads you step-by-step through the process of teaching team members how to identify their values, leverage their strengths, and reach their goals--and have fun while they ' re doing it! Nothing can stop the momentum of a team that wants to get things done. The Big Book of Team Coaching Games is the ideal playbook for making sure your teams contribute more than their share to the bottom line.

Like so many helping professionals today, coaches are discovering that the most effective treatment plan is not always the one that takes the most time. Perhaps more so than in any other situation, coaching allows practitioners to quickly forge collaborative relationships with their clients and help them maximize their performance in work and in life. Brief Coaching for Lasting Solutions teaches coaches how to conduct conversations that are most useful to clients in achieving their goals within a brief period of time. The authors, two of the leading practitioners of the brief coaching method, masterfully guide readers through the steps of this process--from the initial meeting to follow-up sessions to troubleshooting setbacks--while illustrating essential skills with ample case examples.This book is written for coaches who want to reduce the time it takes to provide effective coaching while making the best use possible of resources the client brings to the table. At the same time it is written for the benefit of today ' s clients, so many of whom want to avoid coaching that is time-intensive and costly, and instead seek coaching that is organized, efficient, and affordable.Whether your clients seek a solution to a specific problem or strive toward a more general life goal, this invaluable resource will put you on the path to brief coaching success.

The Art of Coaching is a book to shift thinking and open up new possibilities, to stimulate fresh insight, to adapt to your needs as a coach or manager and to use creatively in practice. Written by two experienced, highly qualified international coaches and supervisors, this creative book offers ideas to use across the range of coaching contexts including leadership, decision making, change and supervision. Combining brand-new, original diagrams with classic models from the learning development and management fields, Jenny Bird and Sarah Gornall have created a valuable resource for quick reference, instant accessibility and fast learning, built on a strong theoretical base. Each model in the book is explained with a clear, accessible diagram and a simple guide to what it is, how it works and how to put it into action. The text is full of inspiration for applications of the ideas in scenarios based on real coaching practice. The Art of Coaching will be an invaluable companion for coaches looking for new ways of developing awareness with clients, coaching students and trainees, coach supervisors, learning and development professionals and those working in human resource departments.
