He's poor. She's rich. He's a sub. She's a switch. It's not love. It's a marriage of Kink-venience. Grayson Locke Danforth, in his wildest of dreams, never expected two things. The first was to be recalled from India by Queen Victoria where he worked for the quiet purposes of the crown. He must now become the Duke of Warrick after the tragic deaths of his father and brothers. However, tragedy is entirely in the eyes of the beholder, and Grayson doesn't want the title, or to return to what remains of his family. Grayson wants to remain invisible, an outcast, a man in exile for the way his body and mind behave and the secrets he needs to keep. The second thing he never expected was to be forced into marriage to a woman from the twenty-first century. Lulu is no mere woman, however. She's a switch who works as a professional Dominatrix--at least, she did. When she wakes up in a strange house, a strange world, a strange body, she isn't quite sure what to think and is certain she's dreaming. She has less than a day to gain her bearings and make a decision that will dictate the rest of her life in this world--whether or not to marry this beautiful stranger. As Lulu and Grayson attempt to begin a life together, she discovers the true reason why this man is a stranger to his family. She can only hope she can persuade Grayson to accept who she is, and who he was born to be,

This book was formerly titled ABSOLUTE SURRENDER (no other changes have been made) Happiness was always too much for Lady Amelia to hope for. Now all she expects is to secure her future and marry the Duke of Castleberry, as arranged. But Amelia has a dangerous secret that could not only destroy her in his eyes and the eyes of society, but could also very well condemn her to Bedlam. Baron Endsleigh, Amelia's oldest friend, has other ideas. Ender has loved Amelia all his life. He knows her secrets, and they don't frighten him. He plans to come between Amelia and Charles in any way he can to prevent the marriage and finally claim Amelia for his own. Ender is determined and nothing can stop him. Not even a duke as powerful as Castleberry. That duke has hated Baron Endsleigh and wanted Amelia for, what seems to him, forever. Charles will stop at nothing to make her his, and his alone, even if that means destroying the one thing he knows she loves most in this world-Endsleigh. Will Amelia be able to choose when one man speaks to her mind and the other her heart? None of them will find happiness until they all three learn to embrace the absolute surrender. \*\*\*\*\*

steamy M/F/M ménage romance that borders on erotic romance. There is no crossing of swords in this novel. In fact, these men can barely stand each other in the beginning, and only just admit to being friends in the end. While the very nature of ménage and a particular style of language tends to categorize books as erotic romance, that's not the case here. THIS VERSION IS NOT ILLUSTRATED

Great Britain, 1880 A woman out of time. A man stifled by propriety. A nemesis determined to take her away. A brother to the rescue. The Duke of Roxleigh is running the track, training his new set of Friesians, when a woman runs from the forest directly into his path nearly killing her. He takes her back to his manor to care for her... but there's something not quite right and though he wishes to be done with the entire situation, he just can't keep her from his thoughts... Francine Larrabee was a 21st century woman on a path bound for certain glory--until she lands in Victorian England and is nearly killed by a team of terrifying black horses led by a Duke who matches them in spirit and demeanor, and always seems to be cross. Though she is drawn to her rescuer, he wants nothing to do with her. Brother to The Duke of Roxleigh, the Lord Peregrine Trumbull, is Viscount Roxleigh in name, but a rake of the worst order by action.... until he meets his match in a girl who requires his complete submission, something he has never been familiar with. Lilly Steele was a simple country miss until she was kidnapped, brutally attacked and left for dead in the far reaches of Great Britain. Now she's escaped the aftermath and has asked Perry to do the untenable. She managed to recover her physical injuries... but the emotional scars run deep and will require absolute trust and healing from an altogether unlikely source. What is love? Where does it come from? What makes two people crash, and two other people burn? In this novel we feel what it means to love, what it means to care, and what it is to give up everything you know--to save the one person you can't live without.
