A Brief History of Terrorism - POGO.org

A brief history of terrorism. In terms of targeting, many of the tactical means and methods of modern terrorism have, until relatively recently, followed those utilized between States in their armed conflicts inter se. It has been argued specifically that, a century ago, terrorist codes on targeting victims closely resembled professional military codes, in that they respected the distinction between soldiers and officials on the one hand, and innocent civilians on the other (e.g., the ...
