In this tender sequel to the New York Times bestseller and children's classic The Kissing Hand, Audrey Penn provides parents with another tale of love and reassurance to share with their children. Chester Raccoon has a baby brother—and the baby brother is taking over his territory. When Chester sees his mother give his baby brother a Kissing Hand—his Kissing Hand—he is overcome with sadness, but Mrs. Raccoon soothes his fears with her own special brand of wisdom, finding just the right way to let Chester know he is deeply loved. Moving is hard on everyone, but especially children. Chester Raccoon, whom readers have come to know and love through the New York Times bestseller The Kissing Hand, and its sequel, A Pocket Full of Kisses, is facing another dilemma common to the lives of many children; he and his family are moving. Young readers will love the way Chester says goodbye to his old home and learns that there are some exciting aspects to his new home.

some memories of Skiddel, so that they will have good memories when they miss him. Chester, his brother Ronny, and their friends decide to gather at the pond, where they combine their memories and create a touching celebration of their friend's life. Many young children must face the loss of loved ones or the need to attend a funeral. This sweet story will help children to understand the positive purpose behind memorial services and how "making memories" can provide cheer and comfort when missing an absent loved one.

The sun is up, it's time for little Chester Raccoon to go to bed, but he is frightened by the shadows the sun is creating on the walls. Mrs. Raccoon soothes him with a Kissing Hand, and he is able to go to sleep. This sweet and decidedly unscary board book is both a light-hearted way to calm children's fears at bedtime, along with a gentle introduction to Chester Raccoon and the Kissing Hand for the younger child. Funny illustrations will gentle the scary-looking shadows in a bedroom.

A young raccoon learns the meaning of bravery and a method for overcoming his fears.

"Are we almost there?" Chester Raccoon asked his mother. Chester is excited about going to his very first sleepover. After his mother drops him off at Pepper Opossum's house with a Kissing Hand in his palm, Chester and his animal friends have a long day of playing games and eating snacks. But when the animals decide to bed down, Chester can't go to sleep. While his Kissing Hand has kept him from getting scared, he isn't in his own bedroom, and he misses his family. When Chester returns home, Mrs. Raccoon welcomes her little cub and reassures him that his home is always there when he needs it. Young readers will enjoy reading about the party fun and take comfort when Chester finds himself in a situation they can relate to.

In this latest addition to the Kissing Hand book collection, Chester Raccoon must learn to deal with another common problem of childhood: a bully at school. When Mrs. Raccoon learns that there is a bully problem at school, she decides to investigate the situation. But after seeing the bully for herself, she shares a story about a forest that was full of smooth yellow stones, and how the animals living there changed a pointy stone they found into a smooth stone so that it wouldn't hurt any tender paws. Chester, Ronny, and Cassy follow the spirit of Mrs. Raccoon's story when they next encounter the Bully. Approaching him as a group, they invite him to play, proving that the best way to get rid of an enemy is to make him or her a friend. This book encourages children to understand that many child bullies are themselves unhappy and gives readers a good example of settling differences by peaceful means. Educators will embrace this story about a positive strategy for dealing with a bully.
