The Winter Duchcess is about Caroline and Eric, two people who are married more out of convenience at the start of the book than anything else. Eric, having seen his mother manipulate his father using his love for her, doesn't want to fall in love at all and Caroline is so utterly terrified of her husband that I wonder how she ever fell in love with him at all.

Their wedding was the event of the season...A shy wallflower, Caroline hasn't the faintest idea why the Duke of Readington chose her to be his bride. She could ask, but that would mean speaking to him...and truth be told she'd rather have a conversation with the devil. Her new husband may be one of the most powerful men in all of England - not to mention the handsomest - but he's also cruel, callous, and has a heart colder than ice. But it was never meant to be a love match...Eric married Caroline for one simple reason: he wasn't in love with her. Having seen firsthand how love can bring a man to his knees, he's determined not to make the same mistakes his father did. Which is why he's going to spend just enough time with his new bride to assure himself of an heir before he leaves her and returns to London. At least that was the plan until a winter storm leaves them stranded. Now every time Eric turns around he finds himself stumbling over the wife he never wanted...but is slowly beginning to desire...or was it? As cold winds howl outside the manor, inside of it a duke's heart is finally starting to melt as he finds himself falling for the one woman he was never supposed to love...but can she love him in return? **JILLIAN EATON FINDS THE PERFECT BALANCE BETWEEN INTENSE EMOTIONS, SIZZLING CHEMISTRY, AND LIGHT-HEARTED HUMOR.** - Swept Away by Romance The Winter Duchcess is a Regency holiday novella of approximately 30k words.

A desperate wallflower... As the fourth daughter of a baron, Miss Hannah Fairchild has no dreams of grandeur when it comes to marriage. Forget a duke or an earl. The shy, spinsterly wallflower would be happy with a doctor or (even better) the bookseller's son. Unfortunately, if she wants to save her family from financial ruin - and her father from debtor's prison - a duke is precisely what she needs. A disfigured duke... Severely injured from a fall as a young child, the Duke of Wycliffe has spent much of his adult life in bitter seclusion. Withdrawn from the outside world and everyone in it who mocked him for his physical disfigurement, Evan fully intends to spend the rest of his days in isolation at Wycliffe Manor. Until a stammering, gray-eyed bookmouse arrives on his doorstep and proposes marriage. An unexpected proposal...To Hannah's disbelief, the Duke of Wycliffe actually agrees to her ridiculous proposal - under one condition. Their marriage, such as it is, will be in name only. But there are no guarantees when two lonely, vulnerable hearts are involved...and soon Hannah and Evan find themselves doing the one thing they promised they wouldn't. Falling in love.

A WALLFLOWER WHO DIDN'T WANT TO BE A DUCHESS... An eccentric bluestocking with an affinity for hedgehogs, Eleanor Ward never had any dreams of grandeur when it came to making a good match. Perfectly content to become a spinster, she already had her cottage in the country picked out, complete with a barn for her menagerie of rescued animals. Until one night a lost hairpin and an arrogant duke ruin everything. Now she's the Duchcess of Hawkridge, the last thing in the world she ever wanted to be. And her husband? Well, he's nowhere to be found. A DUKE WHO DIDN'T WANT TO BE A HUSBAND... Furious at being tricked into marrying a woman who keeps a hedgehog in her pocket, Derek couldn't get away from Eleanor fast enough after their vows were read. It's been a year since he's seen her, and he has no plans to change that anytime soon. Until his scheming cousin shows up and declares the union a sham. Now Derek has exactly one month to woo a wife he never desired and consummate a marriage he never wanted. A MEANS TO AN END...OR A NEW BEGINNING? It seems like a simple enough task, especially for a man whose romantic conquests are the stuff of legends. But nothing is simple when two stubborn hearts are involved, especially when Derek begins to see Eleanor in an entirely new light. With time ticking down, can a cynical duke convince his unconventional duchess their marriage is worth saving? This spring, only one thing is certain...love is definitely in the air. The Spring Duchcess is approximately 167 pages in length (35k words).

In this Glided Age—romance series opener by a New York Times—bestselling author, a wealthy Duke must marry by his thirtieth birthday or lose his title. Derek Egan, the dashing Duke of Westwood, is well aware of his looming deadline. But weary of tiresome debutantes, he seeks a respite at his country home in Essex—and encounters a man digging on his property. Except he ’ s not a man. He ’ s a very lovely woman. Who suddenly faints at his feet. Catherine McCabe ’ s disdain for the aristocracy has already led her to flee an arranged marriage with a boorish Viscount. The last thing she wants is to be waylaid in a Duke ’ s home. Yet, she is compelled to stay by the handsome, thoughtful man who introduces himself as the Duke ’ s estate manager. Derek realizes two things immediately: he is captivated by her delicate beauty, and to figure out what she was up to, Catherine must not know he is the Duke. But as they fall passionately in love, Derek ’ s lie spins out of control. Will their bond survive his deception, not to mention the scorned Viscount ’ s pursuit? Most important, can Catherine fall in love all over again—this time with the Duke? “Despite the dramatic title of Force ’ s magnificent Regency, she keeps the focus squarely on the romance as a suspenseful story unfolds. . . . With a meet-cute that ’ s as creative as the work itself, Force has crafted a masterpiece with the perfect amount of romance.” —Publishers Weekly (starred review) “A vividly described, deeply erotic romance.” —Booklist An Official Military Spouse Book Club Pick

Miss Minerva Lane is a quiet, bespectacled wallflower, and she wants to keep it that way .After all, the last time she was the center of attention, it ended badly—so badly that she changed her name to escape her scandalous past. Wallflowers may not be the prettiest of blooms, but at least they don't get trampled. So when a handsome duke comes to town, the last thing she wants is his attention. But that is precisely what she gets. Because Robert Blaisdell, the Duke of Clermont, is not fooled. When Minnie figures out what he's up to, he realizes there is more to her than her spectacles and her quiet ways. And he's determined to lay her every secret bare before she can discover his. But this time, one shy miss may prove to be more than his match... The books in the Brothers Sinister series: ½. The Governess Affair (free prequel novella) 1. The Duchcess War 1½. A Kiss for Midwinter (a companion novella to The Duchcess War) 2. The Heiress Effect 3. The Countess Conspiracy 4. The Suffragette Scandal 4½. Talk Sweetly to Me

What's a duke to do, when the girl who's perfectly wrong becomes the woman he can't live without? Griffin York, the Duke of Halford, has no desire to wed this season—or any season—but his diabolical mother abducts him to "Spinster Cove" and insists he select a bride from the ladies in residence. Griff decides to teach her a lesson that will end the marriage debate forever. He chooses the serving girl. Overworked and struggling, Pauline Simms doesn't dream about dukes. All she wants is to hang up her barmaid apron and open a bookshop. That dream becomes a possibility when an arrogant, sinfully attractive duke offers her a small fortune for a week's employment. Her duties are simple: submit to his mother's "duchess training" ... and fail miserably. But in London, Pauline isn't a miserable failure. She's a brave, quick-witted, beguiling failure—a woman who ignites Griff's desire and soothes the darkness in his soul. Keeping Pauline by his side won't be easy. Even if Society could accept a serving girl duchess—can a roguish duke convince a serving girl to trust him with her heart?

This “scintillating story superbly told” (The Times, London) explores the adventurous life of the stylish and scandalous Elizabeth Chudleigh, Duchcess of Kingston—a woman whose infamous trial was bigger news in British society than the American War of Independence—and provides a clear-eyed and fascinating look into the sumptuous Georgian Era. As maid of honor to the Princess of Wales, Elizabeth Chudleigh enjoyed a luxurious life in the inner circle of the Hanoverian court. With her extraordinary style and engaging wit, she both delighted and scandalized the press and public. She would later even inspire William Thackeray when he was writing his classic Vanity Fair, providing the inspiration for the alluring social climber Becky Sharp. But Elizabeth ’ s real story is more complex and surprising than anything out of fiction. A clandestine, candlelit wedding to the young heir to an earldom, a second marriage to a duke, a lust for diamonds, and an electrifying appearance at a masquerade ball in a gossamer dress—it ’ s no wonder that Elizabeth ’ s eventual trial was a sensation. Charged with bigamy, an accusation she vehemently fought against, Elizabeth refused to submit to public humiliation and retire quietly. “A superb, gripping, decadent, colorful biography that brings an extraordinary woman and a whole world blazingly to life” (Simon Sebag Montefiore, New York Times bestselling author), The Duchcess Countess is perfect for fans of Bridgerton, Women of Means, and The Crown.

The third book in Sarah MacLean's witty and romantic Scandal & Scoundrel series featuring a ravishing heroine and the man, desperately in love, who now has to make amends. The one woman he will never forget... Malcolm Bevingstoke, Duke of Haven, has lived the last three years in self-imposed solitude, paying the price for a mistake he can never reverse and a love he lost forever. The dukedom does not wait, however, and Haven requires an heir, which means he must find himself a wife by summer ’ s end. There is only one problem—he already has one. The one man she will never forgive... After years in exile, Seraphina, Duchcess of Haven, returns to London with a single goal—to reclaim the life she left and find happiness, unencumbered by the man who broke her heart. Haven offers her a deal; Sera can have her freedom, just as soon as she finds her replacement...which requires her to spend the summer in close quarters with the husband she does not want, but somehow cannot resist. A love that neither can deny... The duke has a single summer to woo his wife and convince her that, despite their broken past, he can give her forever, making every day the Day of the Duchcess.

A beautiful new standalone historical romance from New York Times bestselling author Eloisa James, a companion story to her latest romance, How to be a Wallflower! The arrogant Duke of Trent intends to marry a well-bred Englishwoman. The last woman he would ever consider marrying is the adventuresome Merry Pelford—an American heiress who has infamously jilted two fiancés. But after one provocative encounter with the captivating Merry, Trent desires her more than any woman he has ever met. He is determined to have her as his wife, no matter what it takes. And Trent is a man who always gets what he wants. The problem is, Merry is already betrothed, and the former runaway bride has vowed to make it all the way to the altar. As honor clashes with irresistible passion, Trent realizes the stakes are higher than anyone could have imagined. In his battle to save Merry and win her heart, one thing becomes clear: All is fair in love and war.

What happens when an impoverished duke with a reputation for being a rogue collides with a strong-willed heiress who wants to explore the world? An unlikely friendship... and unexpected passion. Calin Audley doesn ’ t fit in with Polite Society. A life spent among the working class taught her to value her independence in a way no newfound fortune or glittering ballroom could ever erase. When a major misstep sees the new heiress whisked away to the English countryside, Calin soon realizes the vexing lengths her family will go to see her settled. But having risked her heart once before, Calin has no interest in the men of the ton—especially not the frustratingly charming Duke of St. James, Courtland Balfour, the Duke of St. James, devoted brother and notorious rogue, despises what he must become—a fortune hunter. But with the ducal coffers drained by his late, spendthrift of a father, Courtland knows his duty lies at the altar and he will do anything to ensure a future for his siblings. Just his luck that the one lady who could make this new fate bearable, who enflames him like no other, is the one woman who wants nothing to do with him or his title. But when an act of desperation inadvertently lands he and Calin at the heart of another scandal, Courtland knows better than to waste his chance. Surely he can convince Calin to love him?
