sixth edition continues to integrate fundamental legal and ethical principles with cases and examples from both landmark moments and recent history. It expands upon the previous edition's exploration of international and non-U.S. law, introduces a new chapter on digital and social media, and incorporates discussion of new technologies and media throughout its coverage of core topics such as privacy, intellectual property, defamation and commercial speech. Coverage of recent court cases and congressional hearings brings readers up to date on the evolving discussion surrounding Facebook, Twitter and today's other major online players. This hybrid textbook is ideal for undergraduate and graduate courses in media and communication that combine law and ethics. Online resources including chapter PowerPoint slides, study guides and sample teaching materials are available at

What is the future of television? Do social media and big data threaten privacy rights? Do children have too much access to violent media content? Is reporting on global conflict worth the risk? These questions—and many more—are at the heart of today's media landscape. Written by award-winning CQ Researcher journalists, this collection of non-partisan reports focuses on fifteen hot-button issues impacting the media. With reports ranging from the fight over net neutrality to social media and politics, *Issues in Media* promotes in-depth discussion, facilitates further research, and helps readers formulate their own positions on crucial issues. And because it's CQ Researcher, the reports are expertly researched and written, presenting readers with all sides of an issue. Key Features:

Chapters follow a consistent organization, beginning with a summary of the issue, then exploring a number of key questions around the issue, next offering background to put the issue into current context, and concluding with a look ahead. A pro/con debate box in every chapter offer readers the opportunity to critically analyze and discuss the issues by exploring a debate between two experts in the field. All issues include a chronology, a bibliography, photos, charts, and figures to offer readers a more complete picture of the issue at hand.
