Ken Budd's *The Voluntourist* is a remarkable memoir about losing your father, accepting your fate, and finding your destiny by volunteering around the world for numerous worthy causes: Hurricane Katrina disaster relief in New Orleans, helping special needs children in China, studying climate change in Ecuador, lending a hand—and a heart—at a Palestinian refugee camp in the Middle East, to name but a few. Ken's emotional journey is as inspiring and affecting as those chronicled in *Little Princes* and *Three Cups of Tea*. At once a true story of powerful family bonds, of sacrifice, of self-discovery, *The Voluntourist* is an all-too-human, real-life hero whom you will not soon forget.

Offering a comprehensive guide to economical travel in diverse regions of the world, these innovative new versions of the popular handbooks feature an all-new look, sidebars highlighting essential tips and facts, information on a wide range of itineraries, transportation options, off-the-beaten-path adventures, expanded lodging and dining options in every price range, additional nightlife options, enhanced cultural coverage, shopping tips, maps, 3-D topographical maps, regional culinary specialties, cost-cutting tips, and other essentials.
