Washington's long war on Syria has
not been kind to the country's citizens.
The war has been fought in many
ways over many decades,
occasionally as a hot war, mainly as a
cold war, at times visible, at other
times concealed, at times fought
directly, at other times fought through
proxies, at times pursued through
military means, and often through
economic measures.

account of why the United States has launched a major crusade to overthrow the Baathist government in Damascus. Needless to say, the story it tells is completely at odds with the US-sponsored fairy tale about a brutal dictator crushing a democratic protesters, leaving noble Americans no choice but to ride to the rescue.”
