Worth the Fight has so much emotion and an underlying beauty in the writing. It has heart and soul. It was just so easy to fall in love with Nico & Elle and to become invested in their lives. It had an epilogue that wrapped the story up really well. I'm looking forward the next story in the MMA Fighter series, Worth the Chance.

It didn't matter that the ref called it a clean hit. Nico Hunter would never be the same. Elle has a job she loves, a great apartment, and the guy she's been dating for more than two years is a catch and a half. Then Nico walks into Elle's office and everything changes -- for both of them.

They say men like a lady in the living room and a whore in the bedroom. I never knew the sentiment was reciprocal. Until I met Jax Knight. A gentleman in public, a commanding, dirty talking rogue in the bedroom. Daughter of legendary fighter "The Saint," Lily St. Claire knows firsthand how fighters can be. As the owner of a chain of MMA gyms, she's no stranger to aggressive, dominating, and possessive men. That's why she's always kept her distance. But the day Jax Knight walks through her door she's captivated by his charm. Stuningly handsome, well mannered, Ivy League educated, and confident, he shatters all the preconceived notions she'd come to think were true about men who trained to fight. But falling for someone so soon after her breakup wasn't something she'd planned on. And definitely not something her ex plans to allow.

Meet Liv Michaels. I may have been seven years, but I'd know him anywhere. Sure, he's grown, filled out in all the right places, but his captivating blue eyes and cocky grin are exactly the way I remember. Even though I'd much rather forget. Liv Michaels is almost there. She's smart, determined and weeks away from landing the job she's dreamed about for years. Time healed old wounds, even her broken heart from the devastation of being crushed by her first love. Meet Vince Stone. Women love a fighter, especially a good one. Lucky for me, I'm damn good. But there's one woman that isn't interested. Not again, anyway. Vince "The Invincible" Stone is every woman's fantasy...strong, sexy, confident and completely in control. Growing up surrounded by chaos, he's learned never to get too attached. Love will drag you down. He adores women, treats them well, puts their own needs before his own...for the night anyway. With the biggest fight of his life coming up, his focus should be on training. When fate brings Vince & Liv back together again, there's no denying the chemistry is still there. But can Vince erase the old scars their past left behind? Or will Liv hurt him instead?

Her name's Tink. She's a tiny little thing in a sparkling green dress. She has blonde hair swept up in a bun and brilliant blue eyes. She's goddamn gorgeous. But it's her voice that has me stopping in my tracks. Someone's getting rough with her and even though there will be hell to pay, I raise my fists. No one's going to hurt Tink. She's mine now. Just don't tell her grandpa. Because he invented the word overprotective. And a mountain man like me, with a past in the ring, isn't exactly the sort of guy he stands her to end up with. But this is one fight I won't lose. Dear Reader, Titus is an alpha fighter who's ready to claim his hot-tempered, sassy-ass love. He's a brawny beast and she's a petite virgin whose bark is bigger than her bite. Good thing Titus knows how to tame her... for his big bone, she'll get on her hands and knees and beg. It's a dirty one, darling! xo, frankie

Three complete and swoon-worthy standalone novels featuring men who fight hard in the ring and harder for the women they want. Worth the Fight A STORY OF FATE A tragedy in the ring leads Nico Hunter to lose his edge. Until he meets Elle-a beautiful attorney who he has nothing in common with. But the tattooed, hard-bodied MMA fighter and the good girl attorney find out they have a lot more in common than they bargained for. Worth the Chance A STORY OF SECOND CHANCES Vince 'The Invincible' Stone is every woman's fantasy...strong, sexy, confident, and completely in control. With the biggest fight of his life coming up, his focus should be on training. But when chance brings Liv back into his life to write his story, there's no denying the chemistry is still there. Worth Forgiving A STORY OF FAITH Daughter of legendary fighter "The Saint," Lily St. Claire knows firsthand how fighters can be. As the owner of a chain of MMA gyms, she's no stranger to aggressive, dominating, and possessive men. That's why she's always kept her distance. But the day Jax Knight walks through her door, she's captivated by his charm. Stuningly handsome, well mannered, Ivy League educated, and confident, he shatters all the preconceived notions she'd come to think were true about men who trained to fight.

Logan Retino never imagined she'd fall so far. Dropped by her ex on national TV, she's gone from prima ballerina to ring card girl, reduced to revving up the crowds before MMA bouts. However distasteful she finds her new job, it pays well...and she needs the money if she's ever going to rebuild her life. Promised a huge bonus if she can convince a brooding, gifted welterweight to keep fighting, she'll do whatever it takes to earn his trust. Keane O'Shea is unbeatable in the octagon. A former marine, he fights with a ruthlessness no gym jockey can match. He knows his brutal strength is too much for the delicate ex-ballerina, regardless of how fascinating he finds Logan's tight dancer's body. But one private performance and he's drawn to her in a way he can't--or won't--resist. As Logan discovers the heartbreaking truth that lies beneath this handsome warrior's rage, she'll need to forfeit everything she thought mattered for the one thing that matters the most: saving Keane from himself. \$9,000 words

Perfect for fans of Katy Evans and Sarah Castille, Sidney Halston's scorching new MMA romance proves there are no holds barred when it comes to seduction. As an Army brat, Violet Channing could never meet her dad's high expectations. But in the eyes of her best friend, she could do no wrong. He even insisted that he should be her first kiss. Now Cain Sorensen is all grown up, hardened by years in special ops and always looking for a good fight. Tall, with striking blue eyes and impossibly blond hair, he's a modern-day Viking warrior. Of course, Violet's all grown up, too, and she's ready to surrender to his every command. Cain knows he's bad for Violet. His work is dangerous, and his hobbies are downright deadly. As a private mercenary and a mixed martial arts fighter, he could never let such an innocent soul into his world. And yet his most grueling combat training is no match for Violet's killer curves, hot touch, and suggestive glances. Now all of Cain's most explosive fantasies are coming true—but once they cross the line between friends and lovers, there's no turning back. If you love the MMA romances of Vi Keeland and Kendall Ryan, Sidney Halston's Worth the Fight series will knock your socks off! In Fighting Dirty, a geek-chic cage fighter proves that appearances can be deceiving . . . and oh-so-tempting. With his preppy clothes and horn-rimmed glasses, Enzo Silva is the last dude anyone expects to find in a mixed martial arts gym. A wealthy Brazilian banker who never had to fight for anything, Enzo's stuck in the amateur circuit—but he burns to make the pros. Maybe that explains the heat he feels whenever he's around Jamie Lynn Calloun. The pint-size, magenta-haired bartender with the Texas drawl is everything he's not . . . and everything he craves. Tough as nails and independent to a fault, Jamie Lynn—JL, to her friends—works hard to pay her bills and keep life simple. Enzo is doing his best to complicate that. Even though she likes to bust his balls, he's got some kind of a nerdy-hot vibe that makes JL wonder if she might finally be able to let her guard down. It might do the boy some good to spend some time in her world, where blood, sweat, and victory are as sweet as the first taste of real love. It's a fun, sweet and deliciously sexy story about a woman who is tough and confident on the outside but soft, caring and, yes, a bit damaged on the inside, and a very predictable and too uptight man who discovered that even though they came from two very different worlds, they were perfect for each other."—TJ Loves to Read Includes a special message from the editor, as well as an excerpt from another Loveswept title.

Opposites attract in this seductive novel from the author of Against the Cage ("Funny, steamy, scorching."—Toni Aleo), with a chiseled MMA fighter falling for a single mom who could use a real man in her corner. Working two jobs to support her infant daughter is harder than anything Penny Richards has ever done, but it sure beats living under the rules of her stepfather, a television preacher who demands a picture-perfect family. And if Penny hadn't struck out on her own, she never would have met Travis Calhoun. The intensely physical heavyweight brawler has a way of drawing out her wild side. But Travis lives fast, with no responsibilities—and that just isn't for Penny. Most of the women in Travis's circle wear tight clothes, high heels, and tons of makeup—not pearls or plaid headbands. But once he works past Penny's inhibitions, Travis discovers a kindred spirit who longs to trust someone with her body, and her secrets. Still, Travis can't help but wonder if this rich girl is just slumming it before she returns to her privileged life. Now it's up to Penny to prove that she wants her hard-edged, hard-loving fighter just the way he is.
